

Sawtooth

Showdown

Cowboys & Angels

On The Trail...Happy Trails, that is. Well, it's time for another Sawtooth Showdown and everyone is invited. This is a team match so grab a partner and let's get the fun started.

Here's how it works...

Each team will include one man and one woman. Both members of the team will shoot each main round, women against women and men against men.

In each round, the winning woman and man will both receive one point. The losing woman and man will receive zero points. At the end of the round, one team could have two points, if both the man and woman won their round. One team could have no points or the teams could have one point each.

This will be a Come to Shoot format for 7 rounds. If we have by rounds, a coin toss will determine whether the women or men will shoot it. At the end of the 7th round, ALL teams will be seeded in a single elimination championship shoot-off. Allowing every team the opportunity to shoot their way to first place!

The points earned throughout the match will determine the seeding. If there is a tie, a coin toss will determine if we will check the 7th round for the women or for the men to find the fastest time.

In the championship shoot-off, only one member of the team will shoot. A coin toss will determine whether the women or the men shoot the round. The team member who does not shoot should not go anywhere because if their partner wins the round, a coin toss will again determine whether the men or women shoot with the next seeded team. The last standing team earns the championship title and the Happy Trails Children's Foundation buckles. Also, trophies/plaques go to 1st – 5th place teams.

We will have a money tree and will also hold a silent auction so if you have items to donate, please contact us in advance or just bring them with you. Proceeds to benefit Happy Trails Children's Foundation.

Date: April 15, 2017 Pre-registration not required

Where: Idaho City Community Hall

Cost: \$50.00 per Team (one man and one lady)

Time: Sign up is open from 9 a.m. – 9:45 a.m.
