Happy Summer Issue!

It's hard to believe that in just 2 short months (at the time of writing this) that we will be setting

up for the 2024 Fastest Gun Alive! We have some exciting things planned for this year. This issue contains all the information you need starting on page 15.

With the Fastest Gun Alive being moved to the summer, it creates new opportunities for more Titled matches to be held in the Fall and Winter months, with the points counting for the 2025 Top Gun Points Season. I am actually pretty excited for that, as I am hoping with more matches spread out through Fall and Winter, we will be able to get more articles submitted for the Winter and Spring Issue of the Gazette. The first Issue each year (Spring Issue) is always a hard one to fill, as there have not usually been any recent titled matches. So hopefully we can "spread the wealth" in regards to articles and have them more evenly spread throughout the issues going forward.

When submitting an article, please be sure to note the Alias of the author, so I can be sure to give credit. Same goes with photos! If you email me photos, please be sure to let me know who the photographer was, so that I can give them credit. We

DEADLINE

Deadline to submit articles for the next Gunslinger's Gazette is:

July 15th

Please submit all articles, pictures, and ads to:

EDITORIAL

have been getting some GREAT photos submitted! You are definitely making it hard on me to choose between photos for the cover (a great problem to have), so keep those photos coming! I know everyone loves to see them posted on the CFDA Society page as well, and it really helps to put them into an "album" so they can be easily found again.

TOP GUN POINTS

We have still been noticing shortened Aliases in the results that are being submitted for posting. When you are at a Titled Match, please make sure they have your FULL Alias spelled correctly, as well as your home State. We rely on correct information not only for the Top Gun Points, but also when it comes to the Resident Champions. So if you notice your Alias or State is listed incorrectly at a match, please let the scoring staff know so they can correct it in their system.

We have several more titled matches between now and FGA. The next issue of the Gunslinger's Gazette (Fall Issue) will be published in late August, so be sure to get your articles in as soon as you are able, as they are published on a "First Received" basis.

A Big thank you to everyone who submitted articles for this issue. I did receive quite a few smaller "filler" articles, which I am always in need of (so THANK YOU!). If your article did not appear in this issue, be sure to look for it in a future issue, it will be published!

I can't wait to see everyone in July. If you will be attending, be sure to stop into the General Store and say hello to myself, Jackie Daniels, and Alotta Lead!

Best Wishes! Hannah Calder

INSIDE THE CFDA

By: Quick Cal, Executive Director

Our 2024 CFDA Season has been very busy with 16 CFDA Titled Championships leading up to the season ending FGA at the end of July. The 2025 Season begins the weekend after FGA with our Louisiana State Championship leading off and an additional 7 Titled Championships to follow in September. Will there be more scheduled to follow, I hope so. October & November would be great months to hold championship matches, especially in the mid to southern parts of the U.S. There's word of an Arizona State in October, details to come.

For years we've crammed so many championships between March and June before it got too hot, humid or a combination of both in all but our northern states to hold outdoor events. Then, it would pick up again in September, only to have nothing scheduled in the Fall after FGA. This is only one of the reasons that were the basis for moving FGA to the end of July, since the 3C Arena is an indoor 70-degree climate-controlled building.

The other major factor is what I stated in my Fall 2023 Column: *"The 3C Arena is in big demand, especially for rodeo events after the mid-summer heat is over. After a meeting with 3C Arena Staff, it became obvious that we simply could not be guaranteed consistent dates for FGA during the fall months."* Plus, as an added benefit, we are in hopes that more Youth & Junior Shooters can attend since it's summer break for school in most parts of the country.

Most people don't like change, including me. But, sometimes changes must be made for good reasons and I sincerely hope that everyone understands. This year may seem a little strange, but I believe it will pay dividends for the future of CFDA.

Speaking of the Future of CFDA...

About 5 years ago I made a statement to our U.S. Marshals & Regulators at the Annual Marshal's Muster at the FGA about the future of CFDA. Of course, during 2020 & 2021 we were pretty much just trying to keep our sport going through the terrible Covid years. It's now time to make a very large and positive change that will ensure the future of Cowboy Fast Draw. The transition is now underway to transform Cowboy Fast Draw Association, LLC into Cowboy Fast Draw Association, Non-Profit Organization. There is simply not

enough room in this column to begin to explain the details of Why & How, but I can assure you that it's time to preserve the future of not only our sport, but what we have all built together, our organization. To understand some of the basics of what's happening right now during this transition, please read "CFDA, The Next Generation" on Page 26. This is just an excerpt from a much larger article that explains almost everything, but it's all we have room for in this Gunslinger's Gazette. The entire three-part article is now published on CowboyFastDraw.com. It contains the Why, The Process, and the Future of CFDA, NPO. It's important that if you are a dedicated CFDA member that you read it for yourself so that you know the truth behind it all. It's also important to know that All CFDA members can play a major part in the future of Cowboy Fast Draw!

U.S. CFDA National Championship

This is the 2nd year our National Championship is hosted by the Sundowners at Fowl Shot & Huckleberry Honey's beautiful Shelterwood Ranch. They do a fine job hosting one of our two major Class A Championship Tournaments with all kinds of associated activities. It's a first-class event and if you haven't been there for either the Western Territorial or National Championship, there still may be time to just make up your mind and go.

Years ago, we started moving our National Championship around the nation, with the intention that this prestigious event should only be at any one location for 1 or 2 years at a time. It's important that various clubs from all parts of our country can have a chance to host the Nationals. I sent an email to our U.S. Marshals and Club Contacts several weeks ago to let them know if any club is working on hosting our 2025 National Championship to let us know, but haven't gotten a response yet. We'll keep you posted on the Cowboy Fast Draw Society – Facebook Discussion Group, which is the best source to find the latest information on what's happening in CFDA.

FGA News!

The Outdoor Channel did run two additional feature segments covering our 2023 FGA – Magnificent 7 Shootoffs. They did a great job capturing the excitement! These shows will run many times over the years and eventually make their way to Youtube. I would like to thank Shooting USA for covering our signature event!

Entries are pouring in and we are actually ahead of last year's entries at this point

before the match. Can we finally reach our goal of 300+? In any case, we will have another great year to enjoy Fallon, our Host City in the comfort of Churchill County's 3C Arena.

RV Spots are available at the existing RV Park at Churchill County Fairgrounds. While they are building a new section a little closer to the 3C Arena, it has been delayed as they have been waiting months for NV Energy to approve the electrical engineering. If our members reserve an RV Spot and at the last minute they have the new RV Park ready, they will be able to change to the new park.

Zeebo.tv Show

As most of you know, I've been traveling around to several of our titled championships filming and interviewing many of our members. While clips of the interviews may be used on the show, it's been fun sharing them on the Cowboy Fast Draw Society. We sure have a lot of interesting members in our CFDA Family and we are blessed to have so many interesting people from all walks of life to share our sport with. We've learned things about them that we never knew before. Some are a little nervous at first, but they soon realize that it's just a fun and relaxed conversation.

I am not shooting this season while filming this series until this season ends with this year's FGA. The first CFDA Titled Championship I am planning to compete in is the Idaho State Championship. A number of shooters have asked if it bothers me to show up and not shoot. Well, anyone that knows me also knows that I love to compete, but really I'm having just as much fun covering the action and rooting for all of you...

As I write this column, I'm currently prepping the footage for a number of upcoming editing sessions with the professional editor I've hired, his name is Brian and he will be joining me in filming at the FGA. Our 30-Minute shows are scheduled to begin to air the 1st Saturday in July (7-6-24). To be honest, I'm not really sure how this is going to turn out, but it's a platform to start on.

You can all have access to Zeebo.tv. It's a free App that is currently available for download on any Roku Television or Roku unit attached to any brand of television. Give it a try instead of waiting until the last minute. Our logo is there with our 30-minute video of our coverage of the 2022 FGA.

See You on the Trail.

NEWS AND ANNOUNCEMENTS

By: Alotta Lead, CFDA Operations, Clubs & Events Director

Who doesn't love a great road trip! Quick Cal and I returned a while back from a fantastic 10-day trip that took us first to the Oregon State Championship then finishing up at the California State Championship. It was so much fun from start to finish- we had a blast! But we always do and for 45+ years, always have. And getting ready to leave for a trip is a breeze anymore. We've been at this for so many years. As QC will say, "Just throw your sh—in a bag and let's go!" Having basically traveling light all these years and usually having everything we need in our motorhome, yep.... all we need to do is throw our stuff in a bag and take off.

It was so nice, we didn't feel the need to rush like we would normally do. Once we made it to our RV spot at the Fairgrounds in Prineville Oregon, where all the other CFDA RV'ers were hanging out for the weekend, we went over to the range to do some visiting! Great time at the match, well run, beautiful trophies, and great seeing everyone again, a lot of them I hadn't seen since FGA 2023! A Big Congratulations to "Emberly" Ladies 2024 Oregon State Champion & "Oregon Ranger" winning Mens!

We left beautiful Prineville, Oregon Monday morning & headed for the coast to spend three wonderful days on the cliffs overlooking the ocean in Newport, Oregon. So much fun, basically did absolutely nothing, which was a lot of fun, yep didn't know that nothing could be so much fun. We don't want to do nothing too often for sure. We really *do* like being busy and having things to do...most of the time. But it was a nice change. One of the days we decided we'd take some selfies of ourselves out by our RV space overlooking the ocean. Didn't go so well, by the time we got that one little picture that was decent enough to use, I was laughing so hard, because QC kept wanting to retake it, as there was always that "little something" that just wasn't right! It was too funny. But we did manage to send out one on Facebook to say hi to everyone! We need to take a selfie stick next time!

Leaving Newport in a torrential downpour we head down to the California State Championship where "The Cowboys" put on a really nice match! I had never been to one of their matches before, it's a great Range ~ it's so amazing to look at! What they did for a "step back into the old west" is unreal! I'd like to have one of those in our property!! A well-run match, great

trophies & the Saturday evening Dinner was so good! "No Daisy" & his crew outdid themselves. "Midnight Mexican" did fantastic announcing the finals! Announcers are so important to keeping things rolling and keeping things fun and exciting... he did just that! Congratulations to Tin Bender - & Lefty Lipscomb winning the California State!! –

GOLDEN SPIKE AWARDS at FGA The Golden Spike Awards will be announced at the Saturday Evening Awards Ceremony at FGA. Seeing how it's a shortened year for the CFDA Clubs seeking to recruit new members, next year will be back to normal for the 2025 season. We'll be posting on the Cowboy Fast Draw Society Group every other week updating new club members, and what the number of new club members is for each club is at the time up to the deadline of June 30th.

TOP HAND NOMINATIONS CFDA Clubs can still send in their Top Hand Nominations until May 24th. Anything postmarked after that date will be considered for 2025. This high achievement award will also be given out at the Saturday evening FGA Awards Ceremony. Two members from each club can be nominated. Refer to page 8 in the CFDA Handbook for more information.

LIFE MEMBER RECEPTION ~ Blast from the Past - THE 50's! The Life Members reception is going to be a lot of fun with the theme being the 50's! Who doesn't love something about the 50's era? The cars, the poodle shirts, the soda fountains, movies, and yes, the music! We have a line up of great music for your listening pleasure and to dance to if you like! Thinking about the theme on how many different clothing options there are, 50's milkman, soda jerk, Lucy & Desi, James Dean, Marilyn Monroe, John Wayne, dressing like a 50's TV show!...holy cow, the list is endless! There are the

50 style appetizers that were so popular in the day, "pigs in a blanket"-yum, meatballs, oh-boy! How about those Pin wheel snacks! Never know what will make its appearance at the reception! There's going to be some great trophies to hand out to best costumes for the era for both mens, ladies and little people as well. Games to win some fun little 50's prizes. I'm still up in the air on what to wear-holy moly so many ideas! We might have some fun surprises for the evening! You don't want to miss out on one of the best evenings CFDA has to offer! Going to be fun! **A GREAT TIME AHEAD** with all the goings-on at the big event, the **2024 "Fastest Gun Alive"™ World Championship!** If you're new to the sport, grab your gun, holster, a few shootin' clothes, and head west...or east depending which way you're coming from & experience the most fun CFDA has to offer. Five days and evenings of nonstop fun where there's always something to do! Check out the FGA schedule! Also check out the vendors and the CFDA General- lots of goodies to purchase. Stock up on your favorite CFDA items before they're discontinued, or stock up for your club. A lota fun! Til then- Looking forward to seeing everyone.

2024 TEXAS STATE CHAMPIONSHIP

HOSTED BY THE LONE STAR GUNSLINGERS

By Peppermint Patty

RICHMOND, TX - Deep in the heart of Richmond, Texas, at the historic George Ranch Park arena, the Texas State Championship Shoot was held on March 15th-17th, 2024, hosted by The Lone Star Gunslingers.

Friday started out with the “fistful of dollars” shoot where each shooter places a dollar bill on the table and has 5 shots to determine the winner, if the shooters are tied after 5 shots, the “house” gets the money going back to the score keepers table. The times were tallied up to set up the brackets immediately following our guest “celebrity”

shoot.

This was a first in recent years, a “celebrity” shoot that included local notable locals; Becky Haas, the Mayor of Richmond, who also came Sunday for the finals and won the gun raffle, TV news reporter Jacob Rascon, who helped the shoot be featured on the local news; Constable Chad Norvell from Precinct One; and Susan Vanderford and Mike Madden from George Ranch, complete dressed in period clothing, looking great! They all shot like real cowboys. With some coaching we had several of them shooting into the 6’s and 7’s. We presented awards to them with Jacob

Rascon 1st place, Chad Novel 2nd place and Becky Haas 3rd place.

After some fierce competition and fun in the bracket matches the winners were; Master Gunfighter: 1st Lucky T, 2nd Old West, 3rd Ol Buckr’r. Gunfighter: 1st Texas Tornado, 2nd Rowdy Ron and 3rd El Tortuga. Sheriff: 1st HoJo, 2nd Burnet Bandit, and 3rd Kansas Belle. Deputy: 1st Sunset Rose, 2nd Texas Rattler, and 3rd Gun Fuy.

A silent auction was held throughout the event, raising more than \$890.00 for Shoot for the Stars Scholarship Fund. There were over 30 Texas-themed items for auction from handmade pillows, blankets, gun belts, metal work art, BBQ basket, wood work art and many knives.

The second day was the main match and guns were smoking in eight rounds of competition. There were over 60 shooters, including 2 Jr. Youths and one Annie Oakley. Although there were heavy rains, the large arena kept everyone and everything nice and dry and did not dampen our spirits.

Before the start of the main match the Lone Star Gunslingers recognized our members who are veterans of the armed forces. We truly are grateful for their sacrifices for our freedom. This was done by presenting each of them with a patriotic goodie bag put together by club members Willy Draw and his wife Sweet Honey Sunrise. Also 1 member of each branch won a custom patriotic themed knife handmade and donated by club member Gun Guy. We had 3 branches represented, Army, Navy and Air Force.

A few hiccups were overcome early on and with everyone’s help with announcing, scoring, range officers and being ready to go when “in the hole” we shot down to the magnificent 7 in both men’s and women’s.

Saturday evening, instead of a formal banquet, shooters and their families were invited to join us at the local Rudy’s BBQ restaurant to socialize, experience and eat some Texas BBQ. We say experience because this chain is like going to a meat market BBQ joint. You order meat by the pound and there are no plates, only rolls of butcher paper, seating is on picnic tables so sharing space with others is the norm. We had a good turn

out and lots of great conversation.

On Sunday there was Cowboy Church in the early morning, with some uplifting thoughts shared by Chief Run a Muck. Awards were presented for the top 3 in each bracket with handmade plaques from Preacher Man.

Next was the Resurrection Match which was a last man standing format. The winners were 1st Picassa Jo, 2nd Jefe and 3rd Cajun Greg.

Resurrection Top 3

Once again with the help of everyone we were done and ready for the finals by noon. Starting at high noon the magnificent 7

shoot offs were held for the men and women. There was strong competition and great shooting till our champions emerged.

Awards were presented and then everyone started to hit the road by early afternoon as another round of rain was due. We look forward to seeing y'all next year.

We wish to thank the George Ranch for helping provide the venue, and everyone that came out and helped in some way! Thank you to the announcers, scorekeepers, and range officers. Squirrel Girl for running the scoring computer, those cleaning the bullets, and all the little, tiny things that make the shoot run smoothly. Also thanks to Manvel Marshall, Rebel Yell, and Gun Guy for both getting sponsors and sponsoring the shoot with donations.

ROUTE 66 smOKin' GUNS Host the 2024 **OKLAHOMA** STATE CHAMPIONSHIP OF COWBOY FAST DRAW

By Star Bear
(AKA Lillie Longshot)

KELLYVILLE, OK - The Annual Oklahoma State Cowboy Fast Draw Championship was held March 22nd through the 24th at the Creek County Fairgrounds in Kellyville, Oklahoma. Never a worry of too much rain, cold, hot or any type of weather being a problem for Route 66 Smok'n Guns Venue; it's indoors at the horse arena and climate controlled.

The club members were blessed with a few extra volunteers to help with the set up the 2 ranges for the shoot. With the extra help, both ranges were ready for competition come early Friday morning when the shooters started showing up.

A Shooters Meeting, with a gun safety check, prayer, coffee, tea and muffins got us ready for the day on Friday morning. Competition started with the Will Rogers Jackpot Match, the second year for their sponsorship, using a Nevada 8 format. Dirty Mike took top honors, Old West and Sidewinder Wade took second and third.

The Shootist men and women competed

together again this year. Congratulations to Tin Bender, who took first place, Boss with second place and third to Little Shot.

Diamond Rose and Tulsa Flash sponsored our Meet and Greet on Friday evening. This year's menu included their famous Chicken Chili, fire roasted chili, cornbread as well as a variety of desserts, including sugar free for those who prefer less sugar in their diet. We are all thankful for the delicious food.

The Couple's Shoot is always a fun time! The married couples hit the range and Chief Run-A-Muck and Pistol Pearl came out with bragging rights!

As for the Bandit Shoot, which is any 2 people who dare to shoot together, Ol Buck'r and Tin Bender took the Jackpot.

Saturday morning started off with the traditional group photo, gun check and shooters meeting, a prayer and Pledge of Allegiance before starting the Main Match. The format this year was Magnificent 7 and we made it through 8 rounds before heading to the Elks Lodge in Sapulpa for a banquet catered by Alicia

Hightower. This year the theme was Italian and again food was great! Awards were also given out at the banquet for the Friday winners.

Sunday morning resumed the Main Match and we took sign-ups for the Quick and the Dead and Resurrection, the shoot for those who didn't make it to the Mag 7. The Quick and the Dead was won by Legion this year. Tomcat Charlie was resurrected the winner of Resurrection.

The Men's & Ladies Mag 7 was one for the books! Shell Shock overcame a tough field to take the Ladies Title, and Dirty Mike proved he was a force to be reckoned with by earning 1st in the Men's Division. In the history of the Oklahoma State Championship, this is the first time an Oklahoma resident has taken first place in the main match. Congratulations to Rookie shooter, Dirty Mike!

OKLAHOMA CFDA MEMBER, DIRTY MIKE, TAKES ON CURRENT TOP GUN OF THE YEAR, TIN BENDER, TO WIN THE MEN'S OKLAHOMA STATE CHAMPIONSHIP TITLE

SLOWPOKE AND QD KATE GETTING READY TO COMPETE IN THE LADIES FINALS

“Gun Fight at Cagle’s Corral”

GEORGIA STATE

2024 CHAMPIONSHIP OF COWBOY FAST DRAW

BY SYXKILLER

Holly Springs, Georgia - You could have mistaken Holly Springs for The Windy City of Chicago. The Hickory Flat Shootist Society’s Range construction crew were put to the test with winds of 25-30 mph and gust up to 50 on Friday and Saturday. They passed with flying colors, only a few small tents and a flag pole were lost. Nearly 60 shooters came from Alabama, Florida, Georgia, Kentucky, Louisiana, Oklahoma, Pennsylvania Illinois, Texas, Arkansas, Wisconsin and Virginia for the third annual Georgia State Championship. The event was once again held at Cagle’s Family Farm. The event was called Gunfight at Cagle’s Corral.

The Cagle family is one of the oldest families in Cherokee County. They ran a

successful dairy for many years and a lot of Cherokee County students remember drinking Cagle’s chocolate milk at school. We are blessed by having their support to help put on this great event.

There were two six-lane ranges set up side by side in a pole barn which serves as a pavilion. Thanks to the Cagle’s cementing the floor this past year, the range had great footing and is becoming one of the must attend events in the Eastern Territory.

The Shootist Championship was very exciting. The field was small but the quality was high. It came down to three shooters. Green River, Syxkiller and Smokin Gun. They did not disappoint. When it got down to the final three the count was Green River 0 X’s, Syxkiller 1 X and Smoking Gun 2 X’s. Green River won the bye and put Syxkiller vs Smoking Gun. Smoking Gun gave Syxkiller his second X. Now both shooter’s backs were

against the rope. Smokin Gun won the next bye which put Syxkiller up against Green River with zero margin for error. Both came out swinging with Syx hitting a .354, but Green River took a 2-1 advantage. Syxkiller clawed back and wound up giving Green River his 1st X. Syxkiller won the next bye. Smokin Gun hit 4 out of 6 and Gave Green River his 2nd X. Green River won the next bye. Syxkiller got down 0 to 2 to Smokin Gun but hit 3 straight to take the win, putting Smokin Gun out. Smokin Gun was a hitting machine, but couldn’t match those 3’s. Great job Smokin Gun! This pitted Syxkiller and Green River for the Shootist Championship, both with 2 X’s. Syxkiller hit 4 of 5 and just outraced Green River to take the Georgia Shootist title.

As usual, the Ladies category was a great exhibition of accurate shooting. Slowpoke (2023 GA State Champion) returned and successfully defended her title.

2024 Georgia State Overall Results

Top 15 Men

Top 10 Ladies

2024 GEORGIA STATE CATEGORY RESULTS

Shootist	Men’s Traditional	Men’s 49’er	Men’s Senior	Men’s Super Senior	Men’s Old Timers	Men’s Golden Gun	Lady’s Super Senior	Lady’s 49er’s
1. Syxkiller	Syxkiller	Hoosier Daddy	Run Fatman Run	Sprayin Led Ned	Pale Rider	S-Man	Brown Eyed Girl	Slow Poke
2. Green River	Green River	Johnny James	Dog Iron	Ringo	Barry James	Gunner	Blue Eyed Bell	QD Kate
3. Smokin Gun	B.A.	Slow Motion	HoJo	Gunsmoke	Major D	Brother Fred	Sasafrass	Wild Fire

Second was Alabama resident QD Kate, third was S-Lady from Florida, fourth was Cherokee Sparrow (also from Alabama), fifth was Crystal J (Louisiana), sixth was Blue Hawk (Florida) and seventh was Blue Eyed Bell another Louisianian. Finishing out the top ten were: Brown Eyed Girl, Wild Fire and Dixie Gal finish 8,9 & 10.

The Men's Championship Final featured a rare event. It started on Saturday with a five way tie for 7th. A shoot off commenced between Syxkiller, Pale Rider, Gunsmoke, Snake Plissken and the legend Jayhawker. It came down to Syxkiller and Pale Rider, both Hickory Flat Shootist members. Not only were they vying for the 7th Spot, but also the Men's Georgia State Championship. Syxkiller put 3 of 4 on the plate to take the final spot and the GA Resident Championship. In the finals a little homecourt magic happened. After fighting his way to the final spot, Syxkiller wasn't done yet. He went on an unbelievable run and finished in First Place shooting clean. It was an exciting battle between he and Saltwater Cowboy. A memorable final for sure. Second place went to Saltwater Cowboy out of Florida, Johnny James (Kentucky) captured third, fourth was defending champ Geen River (Kentucky). Finishing 5th and making his first of what will be many State Mag 7's was Smoke Wagon Kid (Florida). Sixth was longtime CFDA shooter Alabama (from Alabama, duh). Making his first State Mag 7 and finishing 7th was JD Derringer. JD has only been shooting 4 months. Watch out folks!

Rounding out the top 15 were:

8th - Pale Rider, 9th - Jayhawker, 10th - Gunsmoke, 11th - Snake Plissken, 12th - B.A.,

13th - Sprayin Led Ned, 14th - Dog Iron, 15th - Sourmash Kid

The Hickory Flat Shootist Society wanted to show their appreciation to two clubs who were directly responsible for making this event happen. Three years ago Green River (then President) and the members of Kentucky Blue Grass Fast draw had the idea of doing a duel state tournament. Not only did they Host the Georgia State tournament at their sight, they funded it as well. This allowed the Georgia club to gain better financial footing and set them up to host it in their own state the following year. Not only did they do that, but they have also provided equipment and manpower to help make their shoot possible the past two years. Major D and the Crossbanded Peacemakers out of Louisiana have provided loaded ammunition for the shoot the past two years and their members also showed up as well to help put on this event. Hickory Flat Shootist Society recognized both clubs extraordinary show of support by presenting them both with a Spirit of The Game plaque to be presented to all of their club members. That's the Cowboy Way folks!

2024 CALIFORNIA STATE CHAMPIONSHIP

OAKDALE, CA - The Cowboys would like to welcome everyone back for our 6th California State Championship held on April 26th-28th! It was a great weekend of shooting and we had over 80 of the best shooters on the western coast dueling it out all weekend long. The CA state shoot continues to be a weekend where we come together and enjoy time with fellow gunfighters, family and loved ones and this year didn't disappoint with one of our most exciting finals to date. But before we get to that, I wanted to give a much deserved shoutout to our hard working Cowboys that made this event go on without a hitch. Our club Marshal Tennessee Tim put everything he had into this shoot with the assistance of our Section leader No Daisy to make sure everyone had a great time for the weekend. Along with them was a hard-working crew we like to call The Cowboys Workhorses who worked hard to set up ranges and amenities for a great weekend of shooting!

We started off our Friday morning welcoming everyone in with our shooters meeting and prayers for a safe weekend of fun as always. After that it was time for some fun as we entered the jackpot shoot which consisted of a Nevada 8 format with 3 X's. You had to be quick on the draw and find the plate in a hurry as a slip of the wrist sent you home packing with the tight competition we had over the weekend. At the end of the day for the ladies our top five were Diablo Daisy, Cali Red, Honey Bucket, Ricochet Rose and finally our jackpot champion Lefty Lipscomb. For the men we had Turd Herder, The Cowboys very own No Angel, Stampede, Yosemite Sean, and our jackpot champion Tin Bender. All these gunfighters did outstanding in the Friday match and for many of them, we would see them very soon in our upcoming State Finals. We finished off the night with Old Drifters poker game for Shoot for the Stars, raising over \$600 and our first and second place went to Tin Bender and Philipines Red.

Saturday was upon us and the competitors were ready with some great weather ahead of them for the day. We shot a 4X competition until we were down to our Magnificent 7 for men and ladies. With 3 ranges open gunfighters battled it out and over the next 12 rounds we had plenty of great matches but once the dust settled, we had our finalist. For the women our Mag 7 were Cali Red, Ricochet Rose, Holi Day, Huckleberry Honey, Sassy Mustang Gal, Lefty Lipscomb, and our number 1 seed Jess. For the men it would be Rattlesnake Ron, Tin Bender, Gringo Pistolero, Cowboy Up, Old Drifter, Yosemite Sean and the 1st seed Witlock looking for a repeat championship win. Before the day was over and award ceremony for dinner was to begin, gunslingers were challenged to a multi-gun side match requiring you to hit 3 targets with your six gun and a coach shotgun modified to accept our 45LC brass shooting wax ammo. It was a great way to compete in a race against

TOP COUPLE - ROOSTER COGBURN & RICOCHET ROSE

LITTLE J & BABY BEAST COMPETE IN THE ANNIE OAKLEY FINALS

an opponent and raise money for CFDA Shoot for the Stars. It was a Little J and Midnight Mexican on top once again proving themselves as the side match specialists with back-to-back wins in their last 3 side matches.

For our dinner, No Daisy and crew threw together a premium brisket meal that was one for the books. They outdid themselves and we are all excited to see what he has in the tank for next year. We awarded trophies for ladies top 15 and men's top 20 as well as a couple other fun and special awards like Turd herders best beard and Heartbreakers best mustache awards which were fan favorites. There was also the very much deserved Stanislaus award going to No Daisy for his continuous dedication to our sport and being a prime example of what it means to be a Cowboy. The Cowboys club and CA State shoot are at such a high level and so successful thanks to his hard work and we are proud to call him one of our own! As dinner was winding down we auctioned off all the items generously donated by members of The Cowboys and organized by Duelin' Dan and Duelin's Doll all raising money for CFDA Shoot for the Stars.

Sunday was upon us, but before our showdown at high noon we had to settle the brackets in a 2x Nevada 8 format. It is always one of the toughest days as you have no room for error and everyone is on the same level with similar times on the line. For the Sheriffs our winners were Rattlesnake Ron 3rd, The Texan 2nd, and Little J 1st. In the Gunfighters it was Tennessee Tim 3rd, Iron Patriot 2nd and Patchem Quick 1st. Lastly our Master Gunfighters winners were Witlock 3rd, Tin Bender 2nd and Tank 1st! All these shooters did a great job and for many of them it was just a warmup before the finals shoot off.

The sun was directly over head

and there was no mistake that high noon on Sunday had arrived. It was show time and we started off our riveting finals with our Annie Oakley division with a battle between Baby Beast and the sister duo of Pickle and Little J. They all went back and forth and in what became the theme of the finals for the day came down to the very last shot between Little J and Baby Beast with a score of 2-2. They both were at their best all weekend long, but it was Little J who had the last blinking light and was our Annie Oakley 2024 CA State Champion. Next was the Billy the Kid division consisting of another tough group with Quick Emilio, Showdown and Night Hawk. They battled it out but staying calm and cool with a gun was Night Hawk who was able to just keep hammering the plate and ended the finals with a 100% hit percentage!

It was time for one of our most dangerous divisions with the Jr. Boys consisting of Ry-Dog Jones, Hits and Anytime Kid. These boys all are shooting in the 3's in the short time they have been shooting the sport and they are only going to get faster. A battle between Ry-Dog and Hits was settled quick, and Hits took his 1st X but he wasn't done yet. After that Ry-Dog gave Anytime an X and sent him down to next lane while he sat pretty in the catbird seat. Hits and Anytime battled it out down to 2-2 giving it everything they had but ultimately it would be Hits finding the target at the same time as Anytime but the difference was .002's! So the time came for our final 2 where Hits and Ry-Dog went back and forth and it had to go to a second match with Hits giving Ry-Dog his first X. Their second match was a nail bitter but in the end Hits battled his way back and is your Jr. Boys 2024 CA State Champion!

For the ladies the battles were as tough as they were all weekend long. Early on Ricochet Rose took her first X but just like the matches before she would battle her way back later in the match. A couple more battles settled our 7th place lady Holli Day, 6th place Cali Red, 5th place Huckleberry Honey and 4th place Sassy Mustang Gal. Fighting her way back was Ricochet Rose who gave Jess her last X landing

her in 3rd place and now had to try to take down the legendary Lefty Lipscomb. They were shot for shot down to a tied score of 2-2 and Ricochet was able to force a rematch giving Lefty her first X. Unfortunately, that was where Rose's run would end as Lefty came out ready to play and put the win away 3-1. She added her 41st title win to her belt and is officially the most winning shooter in all CFDA history! Congrats Lefty Lipscomb!

It was time for the men to put on a show and they did not disappoint this year. All 7 were tough outs the whole weekend long, but we had to have a winner and the first on the line was Tin Bender and Rattlesnake Ron. Tin Bender was able to get the better of the 2 but ran into his first X against the number 5 seed Gringo Pistolero. It was a riveting match, but Tin Bender wouldn't be done for the finals. Gringo shot his way all the way up to the number 2 seed where Yosemite Sean finally gave him his first X. He would then rematch against Tin Bender who was on a run of his own, but this time Tin Bender was the victor, sending off Gringo in 4th place in his first ever Magnificent 7

WITH HER 1ST PLACE WIN IN CALIFORNIA!**

another match up we've seen in the finals before. They battled their first match out with times as close as .002- and .005-seconds difference going the way of Tin Bender forcing a rematch to settle a winner. And like the first match the second was just as exciting going shot for shot till it was tied 2-2 once again. With the crowd roaring and family and friends cheering them on the final command was given. "Shooters on the line. Shooters, set." Two shots rang out sounding like one and as the smoke cleared way the blinking light on lane 3 with a .371 meant that Tin Bender was your 2024 CA State Men's Champion as well as top shooter!

thank you to everyone for coming out and we can't wait to do it again next year. See you all next time on the line. Till then shoot fast, shoot straight and look good while doing it!

finals. He made The Cowboys proud. And just like that Tin Bender was back in a match against Witlock who received his first X from Sean. A match up these boys have done many times, Witlock and Tin Bender went back and forth until it was all tied up 2-2. A .369 with the long gun was enough to get the Bender back up to the top against Yosemite Sean in

It was a great weekend of shooting and spending time with our CFDA family out at The Cowboys headquarters, but it was time to fold the tables and chairs, sweep the wax and wish everyone a safe drive home as the 2024 CA State came to a close. It has been a pleasure year after year to host this event and on behalf of The Cowboys I would like to say

★ BABY BEAST ★ 2023 YOUTH WORLD CHAMPION FUTURE GOALS & WHAT CFDA MEANS TO ME

Baby Beast (left) with other Youth Competitors at the 2023 Nationals

Hello, I am Lexi Olmsted aka Baby Beast. I am 14 years old and from Southern California. I have been shooting for three years. I am the 2023 Youth World Champion and I shoot with The Deputies. One of the things that has been difficult for me is that I am a world champion athlete but I am not allowed to talk about my sport at school.

When I was eleven I had been doing girl scouts for three years with my friend Jamie. She came to my birthday dinner and was telling me about this cool new sport she did. She invited me to try out fast draw at a Friday night practice and I fell in love with it.

I am a proud member of The Deputies. They are some of the best people I've ever met. I have been shooting with them almost every Friday for the past 3 years. The Deputies are like a second family to me. I have spent 2 birthdays shooting on my birthday and I loved it. I have spent so much time shooting in the corral whether it was monthly shoots, Friday night practices, or just one on one practices with JD or Cowboy Up. When I joined The Deputies they all took me under their wings and became like my shooting aunts and uncles.

I won the Youth World Championship title in 2023. It was a roller coaster of emotions. I think the part that made me most proud was when I was

shooting in the finals against Ry-Dog Jones. My winning shot was a 0.540 which was the fastest time I had ever shot. It was the most stressful finals I have been in so far, since we were so well matched we had shots that were just a few thousandths apart. One shot I hit a 0.565 and Ry-Dog Jones hit a 0.568. That worlds I had brought my grandma to see me shoot for the first time. I had always talked about how the CFDA was more than just a sport, it was a family. She didn't get it when I talked about it until she came with me to Worlds. That's when she understood how much the CFDA means to me.

When I started Cowboy Fast Draw I had no idea how much it was going to be like an extra family. One thing I have learned since I started shooting with the CFDA is that you always have people looking out for you all the time. Another thing is that when you shoot with the CFDA it isn't just about shooting fast draw, it is also shooting side matches, hanging out with the other youths you meet along the way, watching your other club members shoot, and just having fun hanging out at the big dinners and auctions. I have realized that when you are shooting Cowboy Fast Draw, people who you have never met before will know your alias and will be cheering for you when you are shooting. I will always remember when I shot my first CFDA shoot, the Nevada State Championship in 2022. When I walked into the Bat Barn to register and for gun check I had a bunch of strangers who I had never met before shaking my hand and making me feel super welcome. I was walking to my table when this big guy, Curley Calhoun, came up to me and introduced himself and welcomed me to the CFDA.

One thing about me that might come as a surprise is what I want to do when I grow up. When I grow up I would like to study at Sonoran Desert

Baby Beast at the 2023 CFDA World Championships

Institute in Tempe, Arizona. I want to earn a certificate in Firearms Technology and Gunsmithing. Then when I am older, own my own gun shop specializing in revolvers. I want to be a good person and be somebody that people can look up to and count on. I want to be someone who is known for how kind and supportive they are. Basically, when I grow up I want to be like all of you and carry on the CFDA tradition.

Thanks for being my family,
Baby Beast

HOW THE CFDA BECAME AN EXTENDED FAMILY

BY JC DALTON

It's late April, and last weekend's trip to Superior, Wisconsin, to shoot in the Black River Bandits' "You're a Daisy if 'Ya Do" CFDA jackpot shoot marks my 5th anniversary of being in Cowboy Fast Draw. My involvement began when I saw a program about CFDA on TV. At the time, I was one year into recovery from a moderate stroke. I was almost blind and had great difficulty speaking and trouble following conversations. My doctors had told me that at 6-8 weeks post-stroke, "what you have is what you get" as far as recovery goes, so I was frustrated and had resigned myself to not doing much with my days. Cowboy Fast Draw looked intriguing, though, so I decided to learn more about it.

Talking on the phone was difficult, but I

JC Dalton with Flying Cowgirl, and Dead Eye Daisy at one of their first CFDA events in 2019

decided to try calling CFDA. I wrote down questions to ask and did my best to follow the conversation. My first contact was with Jackie Daniels, who was incredibly helpful and understanding. If she wouldn't have been as gracious as she was, I would not have pursued anything further. The next step, and probably the most important, was speaking with Quick Cal. He patiently answered all of my questions and helped me understand every aspect of what I was getting into, and he got me set up so I could try the sport to see if I could safely shoot. I can't thank him enough for his help—I called A LOT and asked many questions.

After a little more than a month of practicing (and getting the rest of my family involved), we headed off to our first CFDA match in Superior, Wisconsin. Before making the final decision to go to the match, I called for information and to touch base, and spoke with Lightnin (Debbie Stadin). I again asked many questions, and as talking over the phone was so hard for me, I'm sure I repeated myself a few times. Debbie gave me so much kindness and understanding that it convinced me to risk giving the whole thing a try.

I use the word "risk" because that is what it feels like when I go out in public—things go by me like a bullet train and it's difficult for me to keep up.

JC Dalton with family members Lanky Yankee, Flying Cowgirl, and Dead Eye Daisy at the 2019 Fastest Gun Alive World Championships

But I survived my first CFDA event and experienced firsthand how wonderful CFDA folks are. Although attending events remain incredibly difficult to me even five years later, I'm a bit more at ease. The incredible thing is how much my brain and body have recovered. Today, if you didn't know me five years ago, it would be difficult to tell I had a stroke which is something all survivors strive to say. I still have some anxiety when getting called to the line—so many things happening, safety, rules, the light, shooting. And sometimes late in the day, I just can't do it. But last year at FGA I attended every after-shoot function and for the very first time, I had a great time and felt almost normal. That is, to me, a miracle.

Thank you to all who have taken the time to help me, and if you see me at an event, know that you played a big part in me being able to attend. From my heart, thank you for the last five years.

~JC Dalton

SHERIFF NABOR PACHECO

ARIZONA LAWMAN WITH MANY FIRSTS

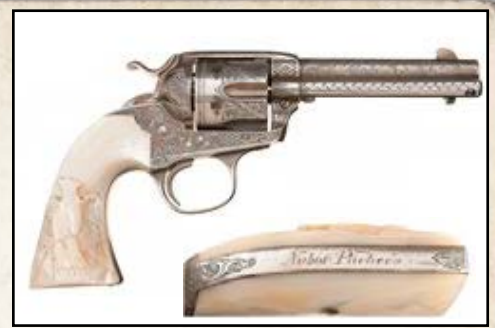

Arizona Territorial Sheriff Nabor Pacheco (1904-1908), was truly a man way ahead of his time. In his ten plus years as a Tucson lawman, he was responsible for a number of performance firsts in the then early Wild West law enforcement era. In addition to being the first Arizona born Hispanic to be elected as Sheriff, he was also the first shield carrier to use a fierce canine named Jack that helped in taking down law breakers. For most of those years, he was one of the first lawmen to use an automobile in the performance of his duties. But one of his most whimsical firsts is that of being a matchmaker service.

As written in the Bisbee Daily Review on May 9th, 1906, 'The sheriff's office in Tucson has been turned into a veritable matrimonial bureau for a romantic set of society girls in Cohoes NY. A few weeks ago Nabor Pacheco, Sheriff of Tucson, received a sweet-scented missive, letter requesting him to hand the note to some young, bold and

dashing cowboy. The writer, Miss Flourine Ford said that she and some of her friends had been reading about the Southwest and were dying to know a real cowboy. The Sheriff handed the letter to Will Coberly, who had charge of his father's vast ranches in the Arivaca County, and a lively romance was immediately set on foot. Hardly had young Coberly an opportunity to write his first letter, when a half dozen similar missives reached the Sheriff's office. They were all from the Cohoes' girls, who wanted to know real cowboys'. Although it took nearly three months, a successful match resulting in a marriage was achieved.

In a follow up article by the Bisbee Daily Review on August 10, 1906, titled 'Arizona Cowboy Weds A Pretty Eastern Girl, How Cupid Brought Together Pinto Creek Cowpuncher and New York Girl. "Foxey, scheming, irresistible Cupid has scored another victory and 'two loving hearts now beat as one' although three months ago they beat as two-one in Pinto Creek valley in Gila county, and one in Vahoos, New York, where theatrical attractions are frequently taken for baptism before being tried upon the New York public. Cupid has taken some queer turns and used diverse measures in mating couples, but his procedure in this instance was absolutely unique. His strongest weapons in this case were the United States mail and the Territorial press. Sheriff Pacheco of Tucson also assisted. It was three months ago that two young ladies of Cahoes, N.Y. wrote to Sheriff Pacheco and confessed that they longed to meet a real, live Arizona cowboy with his chaparejos, his spurs, his quirt and his ruddy face. The sheriff, willing to do all in his power, showed the letter to a reporter for the Citizen. The heart-yearnings of the young women were given to the public. Other Territorial papers took up the letter and

published it. Some made light comments; others were more serious. Bachelors the Territory over were suggested to the Cahoes young ladies and they received many letters. Riders among the cattle in Pinto Creek Valley, John Sanders one day met another cow-puncher, who showed him a clipping wherein was expressed the heart-desire of the young women. Sanders became interested. He "dropped a line" to New York, and received two in return. More letters were exchanged. Then came photographs. The real Arizona cow-puncher looked good to the Cahoes girl and the veteran of the range was dead in love with the photograph of the pretty girl. A proposal by letter was made. An acceptance came back. It is a long jump from Pinto Creek to Cahoes. Consequently each decided to part of the distance. They met at Marion, Ohio where the bride has relatives. There they were married. They will spend some time in Ohio and will come back to Pinto Creek to live."

So in a job that Sheriff Nabor Pacheco often was duty bound to separate loved ones by sending one of them to prison or worse the gallows, in this situation, he was able to bring together two young lovers.

IMPORTANT ANNOUNCEMENT

CFDA, The Next Generation

By: *Quick Cal*

This article is one of the most important articles I've ever written. It's so important that even though I had written it in my mind over and over again, after I began writing it in chronological order, I knew that the "Why" would consume too many words. So many words in fact, that before many of you would learn what was about to happen to CFDA you just might quit reading for yourself, then have to depend on versions of what others are saying. So, I decided to write this in three parts, with the first part containing an "abbreviated why", but also getting to the point of describing exactly what is in the process of happening right now, and what will happen beginning on January 1st, 2025.

Part One – Cowboy Fast Draw Association is Becoming a Non-Profit Organization

Why? The Part One, and shortened version is because currently CFDA is a business

that not only manages and administrates a sport, but also developed a "clearing house" for the niche products needed for both new and existing members to enjoy the sport of Cowboy Fast Draw, without waiting months to acquire them. I didn't want to repeat a bad situation years ago when I ran the WFDA. We lost so many prospective members just because they didn't have a place to acquire what they needed to get started and would just lose interest.

Our family met and decided that if something should happen to me, they did not feel confident that they could continue managing the sport at its current level, but would be willing and able to manage the products we worked hard as a family to create over the years. Alotta Lead and I have discussed this in-depth and are very committed to seeing that CFDA will go on, should something happen to either one, or both of us.

We are also not willing to sell CFDA to any one person or to a for-profit company.

You may be surprised to learn that I've always cringed at being called the "Owner" of CFDA. Instead, I created and hold the title of "Executive Director" or have also needed to be referred to as the CEO particularly in legal matters or documents. I've actually always considered myself more of a "caretaker" of something larger than anyone should ever have the right to own. My family knows this, just like many of my closest friends in our sport have come to realize. Not only am I passionate and love CFDA, but so do thousands of our members who rightly consider themselves as part of our CFDA Family. CFDA is more than a sport, it has become a lifestyle for so many. As both Alotta Lead and Jackie Daniels can attest, we've received many phone calls at CFDA Headquarters, where members have told us that Cowboy Fast Draw has literally saved their lives. So I ask, can you imagine what an awesome responsibility that is? Or, how can we ever let our members down?

What is Happening Now

Alotta Lead and I after much thought and consideration wish to "Grant" CFDA to its membership! It's our sincerest hope that CFDA goes on for future generations to

enjoy!!! However, we're not just "Riding Off Into the Sunset" any time soon. We want to make sure that CFDA develops its new course on the right path, so we are staying very involved for at least, God willing, the next four years, more on that shortly.....

On April 17th, 2024 – I submitted to the State of Nevada documents to form **Cowboy Fast Draw Association, Non-Profit Organization (CFDA,NPO)**. The By-Laws are very detailed, it took several days to write and edit. I emailed a copy of these By-Laws in mid-February to our CFDA Regulator Posse for review, we got back some valuable comments and suggestions. These By-Laws will be published on the CFDA Website by the time this article is published for review of any member.

On the same day as above, documents were also filed to form Quick Cal's Gunslinger Emporium, a Nevada Corporation. This is a corporation that will continue to handle and sell the actual sporting products, such as, Timers, Guns, Holsters, Wax and CFDA Brass that our members depend on.

On January 1st, 2025, all of the assets, income, and liabilities associated with the management and administration of the sport of Cowboy Fast Draw will be transferred from Cowboy Fast Draw Association, LLC to Cowboy Fast Draw Association, Non-Profit Organization.

Also on January 1st, 2025, all income, assets, and liabilities associated with Cowboy Fast Draw sporting equipment will be transferred from Cowboy Fast Draw Association, LLC to Quick Cal's Gunslinger Emporium. A separate Gunslinger Emporium Website that our members use to acquire Cowboy Fast Draw products will be activated on or before this date. Cowboy Fast Draw Association, LLC will eventually be deactivated after all business is concluded.

Transitional Year

It takes time to set up things like IRS docs, bank accounts, websites, payroll services, and budgets. These are currently being worked on, with the goal of all being up and running on or before January 1st.

Members should notice little difference over the next few years, since both organizations will still be run out of our current home office. The main difference will be that there will be two separate websites. The main CFDA Website will be very similar to what we have now, except there will be links for products members need that are to be sold by the Gunslinger Emporium. There will also be links on the Gunslinger Emporium directing customers to the CFDA Website for Membership & Club Services.

The main thing that will be noticeably different is that members will not be able

to purchase items sold separately by both organizations in one transaction. You will have to order and pay memberships, affiliation or sanction fees, and logo items from the CFDA Website; likewise, CFDA Brass, wax, timers, guns, holsters, etc. on the Gunslinger Emporium Website. Phone orders will also be taken on separate order forms and charged separately, since it is important that all financial matters be handled separately.

How Will CFDA, NPO be Managed?

While it's all laid out in the By-Laws, here's the short version. It's designed to operate much like a city government. Something that I happen to have a lot of personal experience with.

Beginning Initial Appointments

As the "Grantors" of CFDA, NPO, Alotta Lead & I will appoint the first Board of Territorial Governors, who will in turn stand for election on schedule as stated in the By-Laws. I will serve as the first Chairman for a 4-Year Term, which will become an elected office in the Fall of 2028, for the term beginning January 1st, 2029. At which time I may choose or choose not to run.

Chairman of the Board

Instead of a Mayor, there is a Chairman of the Board. The Chairman is the CEO of the organization and will be eventually elected to a 4-Year Term by the entire adult general membership. The Chairman does not vote, except in the case of a tie. The Chairman may veto a vote of the Board of Territorial Governors, but the veto can be overridden by a vote of a super-majority of the Board.

The Chairman is the only member of the Board that can also serve as the Executive Director. The Chairman shall conduct all meetings of the Board and shall oversee that all policies, procedures, and decisions made by the Board are carried out. The Chairman or duly appointed representative shall have final authority over policy and rule interpretation at any CFDA event.

Board of Territorial Governors

There are currently 8 Territories recognized in CFDA. Territorial Governors have a 2-Year Term. Please refer to the Territorial Map in the Gunslinger's Gazette, where all CFDA Territories are numbered. Each Territorial Governor is also a member of the Board of Director, also known as the Board of Territorial Governors.

The Grantors shall appoint the first Board of Territorial Governors. Odd numbered Territorial Governors shall be appointed to a one-year term, even numbered Territorial Governors to a two-year term, beginning January 1st, 2025. Territorial Governors shall stand for election in the Fall before their term expires, according to the By-Laws, wherein, the CFDA adult members of each territory shall

elect a Territorial Governor to represent them.

The Board of Territorial Governors vote and make all policies, budget, and major business decisions of CFDA, Non-Profit Organization. They also Chair appointed committees as approved by the Board, and approve all final rule changes, procedures, and drafts of rulebooks. They may re-align, add or reduce territories, based on membership numbers and club locations.

The Board shall also approve Marshal Muster agendas, minutes, and consider all discussions and straw poll votes at the annual U.S. Marshal's Muster.

The Board will vote annually to choose a Chairman Pro Tem, in the case that the Chairman of the Board is absent or cannot fulfill their duties.

Executive Director

The Executive Director is appointed by the Chairman of the Board, with the advice and consent of the Board of Territorial Governors. The Chairman may also appoint themselves as Executive Director. This is similar to how various city governments work some are "Strong Mayor", which means the Mayor is also the City Manager, others are "Council-City Manager" forms which means the Mayor mainly runs meeting and is otherwise ceremonial.

The Executive Director runs the day-to-day business operations of the organization. They may hire whatever personnel as needed to manage membership services, accounting, etc. They are also an official spokesman for CFDA, unless otherwise directed by the Board. They also prepare or cause to be prepared an annual budget. All expenditures must be conducted within the budget, unless approved by the Board.

Parts Two & Three

For the Whole Story, Past, Present & Future and to read our new Non-Profit By-laws, please see: CowboyFastDraw.com.

There are six pages that explains many observations about clubs and organizations that I've been highly involved in.

It's our ultimate goal to establish our new Non-Profit CFDA in a way to protect it in the future from what many of us have learned has destroyed so many organizations started with the best of intentions.

When any shooting organization strays from its mission and goals, it loses not only its integrity, but also the integrity of the game it manages. It's now up to all of us to work together for those who follow. I'm convinced that together we can do it!

*For the Love of the Game,
Quick Cal*

Membership News & Announcements

Howdy once again Gunslingers!

I hope this finds you all well and geared up for the warmer weather to come. I, myself always hate to see the cold weather go. But there is much more that can get done when the weather is warmer. And it is much easier to travel.

Just a few thoughts to share with you.

ORDERS:

The first would be regarding placing orders. Please remember there is a notes section where you can leave us a question or comment regarding your order. For instance, if you're ordering 6,000 wax but would like them in bags of 500 or 1,000. Just drop us a note there. We would be happy to accommodate your request.

One thing I've noticed quite often is some will leave a location where they would

like the package left upon delivery in the notes section. Unfortunately, we cannot determine where the packages are left. But any other questions or comments you may have. Please feel free to leave there.

Another question we get asked often is about "account login" or "account password" when checking out. You can just bypass this, as there are no accounts or passwords needed to checkout. We are working with our webmaster to hopefully get that taken off of the General Store to help with any confusion.

MEMBERSHIPS:

As we all know, Fastest Gun Alive is quickly approaching. So, you'll want to make sure your membership is current. So maybe take a quick look at your membership card. Or feel free to give me a call at the office. I'd be happy to check your expiration date for you. If for

some reason you cannot locate your card, you can also shoot an email (Jackiedaniels2472@gmail.com) to me or call the office. There is a \$10.00 replacement fee. But I'd be happy to get one right out for you. Expiration dates are checked at Fastest Gun Alive, so it's important to have your readily available.

As always, please let me know if there are any changes to your information. We tend to get quite a few yellow renewal reminder postcards returned each month due to change of address or incomplete address. Please make sure to include any space/apartment number or letter.

Other changes such as name change, email and phone number are important as well. You can let us know by phone call or email. Also, they can be made when you renew your membership. All information is cross checked between our database and what is filled out on the renewed postcard or internet submission. We greatly appreciate it!

SUMMER:

Well, summer is coming!!! Kids will be out of school and keeping us on our toes for the few months following. LOL! I have a feeling we'll be spending a lot of time at our local pool. I know the kids are looking forward to it.

I hope you all enjoy the warmer weather and have safe travels where ever the summer takes you!

Bye for now!

Are You Looking For a Cowboy Fast Draw Six-Gun?

COMPETITION READY!

These six-guns are completely ready to go and come complete with a Dead Eye Kid "Six-Gun Setup". We do not sell our six-guns any other way. All the six-guns we sell are brand new and have only been test-fired, unless we specifically state otherwise.

Payment, Shipping & Transfer Information (We Only Ship To FFL Dealers)

Cowboy Fast Draw Association holds a Federal Firearms License (FFL). We only ship (usually USPS) and transfer firearms to other FFL Dealers, which costs \$35 per gun. It is up to the purchaser to choose their FFL Dealer and supply contact information when they order their firearm. CFDA will contact the FFL Dealer to obtain necessary documents. After receiving payment we will then ship the firearm to your FFL Dealer, who will then be responsible to have you fill out the appropriate forms and conduct a background check, according to Federal and your State Laws and Regulations. Please allow up to 2 weeks for CFDA to prepare your firearm for shipping.

The buyer is responsible to pay all transfer fees, background checks directly to their FFL Dealer of choice.

All Firearm Sales Are Final. In the unlikely event that your FFL Dealer cannot process your transfer paperwork due to a background check that did not pass. The buyer may contact our office and request a return of the firearm and a refund of the sale. The gun must be returned to CFDA only by the FFL Dealer that it was originally sent to, in the original condition. A refund of the sale will be made, minus the original \$35 shipping fee and a 5% re-login/re-stocking fee. Available in the CFDA General Store or Call CFDA Main Office at 775-575-1802

(V) = Virtual Club (No Physical Location)

We are committed to building the foundation of CFDA through Affiliated Clubs. The existing clubs can always rely on CFDA for a helping hand in dealing with any issues that need to be resolved. Alotta Lead is the Membership Director, Quick Cal is always available to work with existing clubs or "club in the works". If you are new or existing member of CFDA and want to get a club started in your area give Alotta Lead a call and he can get you posted on the "Club in the Works" section. The Regulator Posse can also be a great resource for new clubs. To update information, please send information to info@cowboyfastdraw.com. **BE SURE TO CHECK FOR THE MOST UP TO DATE INFORMATION AT WWW.COWBOYFASTDRAW.COM**

JOIN THE FAST GROWING SPORT OF COWBOY FAST DRAW! DEDICATED TO THE ROMANCE & LEGEND OF THE OLD WEST A FRIENDLY SPORT THAT PROMOTES FIREARM SAFETY, INTEGRITY, SPORTSMANSHIP, AND THE COWBOY WAY.

OUR MOTTO IS: SAFETY FIRST, FUN SECOND, AND COMPETITION THIRD

THE GUNS

Single-action revolvers, factory chambered for .45 Colt caliber, with non-adjustable rear sights such as: SAA Colt, Colt Bisley, 1858 Remington conversions, 1875 Remington, S&W Schofield and faithful reproductions thereof, plus most Ruger Vaquero models. The external parts of the revolver must match factory stock contours and made of original type material: i.e. hammers must not be bent in any way. No trigger shoes, no mods to the trigger guard or grip frame, etc. Front sights are optional and barrels must be a minimum length of 4-1/2", except in the Shootist Category (7-1/2"). Hammer knurling may be smoothed.

THE HOLSTERS & GUN BELTS

1800's-style Mexican Loop, Slim Jim, and California Pattern holsters or leather rawhide construction. The over the belt-style holster will be worn on the side of the leg only. No cross-draw, shoulder, buscadero, contemporary Hollywood or steel lined holsters are allowed.

AMMUNITION

95% of ammunition used in Cowboy Fast Draw is .45 colt casings that are specially modified to accept 209 shotgun primers and no gun powder. Velocities reach about 650 fps. Only in major competitions Cowboy Fast Draw Cartridges are used, they must be loaded by CFDA approved reloaders.

TARGETS (THREE STANDARD TARGETS)

17-3/16" Round Plate - 47" Center Height (Start Light in Center)
24" Round Plate - 50" Center Height (Start Light in Center)
Balloon-Disc - Rarely Used in Championship Finals - See Specs

White lithium grease is applied to target plates, to track all wax bullet hits.

COMPETITION TIMERS

Digital timers must time to the thousandth of a second. Sanctioned contests must use target with impact sensors.

SHOOTING STYLE

Most folks use a thumb-cocking method, but fanning is allowed. Trigger finger must be out of the trigger guard. If used to cock the hammer the off-hand must not be placed in front of the body before the start light comes on.

CONTESTS

Contests are shot elimination style, best 2 out of 3, or 3 out of 5 shots per round. The standard contest is luck of the draw man vs. man elimination.

Target Distances (Set to Balance Speed and Accuracy)

Championship Distances

17-3/16" Target @ 15' (OR) 24" Target @ 21'

Exhibition Distance

17-3/16" Target @ 11' (OR) 24" Target @ 15'

There are Men's, Ladies and Youth Divisions in Championship Matches

CLOTHING

1800's period clothing is strongly recommended. Western cowboy, including working cowboy clothing is acceptable. Western boots or moccasins are acceptable footwear. Western-style blue and black jeans are acceptable. Victorian Steampunk is also allowed.

SAFETY

One of our primary goals is to educate as many people as possible in the safe and proper use of firearms. Even though we use wax bullet ammunition, we treat them as they were live ammunition and observe all established range safety rules.

SOME OF OUR GOALS

To keep our clothing & equipment such as guns and holsters true to form of the time period that we represent (1873-1899). 1873 is the year that the Colt Peacemaker was introduced.

To promote a positive public image of our sport and gun sports in general, since Cowboy Fast Draw is commonly held in public venues. To promote spirit of the American Old West and the Cowboy Way.

MARK IV

LASER TARGETS, LASER CARTRIDGES & ACCESSORIES

The Gunslinger Timer & Mark IV Laser Target System was developed by Quick Cal to simulate the sport of Cowboy Fast Draw and provide for practice anywhere! Even in your living room!

Now Available in Both 8" & 17-3/16"!

The 8" Mark IV @ 7', \$409 (Target Only), requires Gunslinger Timer & Controller

Great for proportional championship accuracy practice!

Complete 8" Laser Target/Timer Practice Package (\$669) + Shipping

The Best! - 17-3/16" @ 15', \$699 (Target Only), Timer/Controller Required

Duplicates Championship Accuracy!

Complete 17-3/16" Laser Target/Timer Practice Package (\$989) + Shipping

(Stands Not Included in complete systems, various stand options are available)

Designed to work with Low Cost (\$59) CFDA-45 Gunslinger Laser Cartridges.

When used properly, it will only record a time when the initial pulse is on the target, rather than sweeping a continuous laser beam onto the target.

Many Options Available

- Various Target/Timer Packages Offer Both Practice & Contest Modes.
- Some Options Have Timers Placed on Top of Laser Targets.
- Some Options Have Timers or Start Buttons Placed Behind Firing Line.
- Work Outdoors, But Not With Frontal Direct Sunlight.
- Highly Reliable.
- Various Laser Cartridge Packages Available.

Note: We recommend a set of 3. Put one in every other chamber. After each Laser Shot, cycle then re-holster.

THIS PRODUCT IS AN ACCESSORY TO AND ONLY OPERATES WITH A GUNSLINGER TIMER (sold separately)

Available Only At: www.CowboyFastDraw.com CFDA General Store (Online) or call CFDA Office at 775-575-1802
