speed dial to get the live stream back up. Because let me tell you, to be able to live stream through the arena was quite the process through their cameras and computer system. It was not just the normal, press a button on your cell phone, and boom, you are streaming. Unfortunately, streaming did cut out a few times, but we got it back up as soon as we were able. Frustrating I know, but gotta love technology. But a huge thank you to the 3C Arena tech guy, Justin, who helped us out throughout the event. We definitely learned some things for next year.

h, Fall! Always one of my favorite times of the year. We just had a cold snap come through Northern Nevada and I had to hold myself back from breaking out my pumpkin spice candles and Fall decor. Which was a good thing, because we were right back in the 90 degree weather a few days later, eesh! For my family, Fall has meant one thing for the past 15 years. Preparing for the Fastest Gun Alive! But now that FGA has moved to July, I am not quite sure what to do this Fall! It feels like I am forgetting to do something, ha!

Speaking of the Fastest Gun Alive, it was definitely a year for the books! It is always so great to get to see everyone and we had some fun evening events this year. There will be a more in depth article in the Next Issue, so stay tuned! But I did want to give a huge thank you to the amazing crew that helps run the 3C Arena in Fallon where we hold the FGA. This building is absolutely stunning and has some great features. One of these features was the camera system they have set up that gave us the ability to have Jumbo Tron TV's in the arena, and TV's in the upper concourse showing the competitions. This also gave us the ability to Live Stream competitions for most of the day! What a neat feature! And I know many people tuned in throughout the day to see what was going on. Now, I am not sure if any of you have just turned on a Live Stream on Facebook and just let it stream all day. Well, we never had before. One important thing we inadvertently learned was that you can only live stream for 8 hours straight. And then it cuts off. Did you know that? Ya, we didn't either. Luckily, one of the tech guys for the arena lives 2 minutes away, and Dead Eye Kid basically had him on

EDITORIAL

I also want to give a big thank you to the arena janitor, Joy. She was on top of things all weekend and kept the arena in tip top condition. She loved getting to meet so many amazing people from around the country who were so kind and respectful that she decided she wanted to be part of our amazing group and joined CFDA! How great is that! That just goes to show what an amazing group of people we have. Another thank you goes to Jesse, who manages the 3C Arena. He spoke at our opening ceremonies and also mentioned that out of all the events they host (and they host a lot), that the members of CFDA are the most respectful group that comes through, and they appreciate how we treat the building and community as a whole. Jesse also always goes above and beyond to help out with our event, and frankly, we would not be there if it were not for him. So a huge thank you to Jesse! If you missed FGA this year, don't worry, there is always next year!

The 2025 CFDA events page is now live on the CFDA website. If you are planning a titled event for 2025, be sure to get your paperwork in ASAP to get your dates reserved and added to the schedule. Also, if your club hosts an annual (non-titled) event that you would like added to the calendar, I would be happy to add it, just send me the forms and dates.

A huge thank you to all who contributed to this issue. I know summer is a busy time of year, so I very much appreciate everyone who took the time to send in articles.

Good luck and safe travels to everyone competing in the remaining 2024 events!

Best Wishes! Hannah Calder

INSIDE THE CFDA

By: Quick Cal, Executive Director

Howdy!

What a year we've had so far with so many CFDA Titles already occurring. The 2024 FGA is in the books, which also ended the 2024 Top Gun of the Year Points Season. But, the 2025 Top Gun Points started again with the Louisiana State the first weekend in August and is really picking up pace in September with the Idaho State, Kentucky State, South Dakota State, High Plains Territorial, Kansas State, Nebraska State and Great Plains Territorial. Then, in October with our Arizona State Championship.

I know it was a bit confusing for some with having the Top Gun of the Year Points ending just past the middle of the calendar year. However, with the date change of FGA we had to adapt. I also know that some folks didn't like FGA dates changing either, but this was necessary to extend a consistent and continuing use of the 3C Arena. We now have the 3rd weekend in July scheduled for 2025, '26, and '27. I really do believe that our members who come in support of CFDA's Signature Event each year have grown to appreciate this fantastic facility.

FGA

Congratulations to everyone who participated in the many competitive opportunities we had whether the Category Championships, Side Matches, Main Match, Second Chance, or Bracket Matches, you all had plenty of shooting to do. The complete results have been posted both on Facebook and our CFDA Website.

Of Course, special congratulations to both Oregon Ranger & Dead Eye Daisy, they both have won two in a row, with this being Oregon Ranger's unprecedented 8th CFDA Fastest Gun Alive - World Championship! We'll have the complete article in the next issue of the Gunslinger's Gazette!

Top Gun of the Year

We have two new Top Gun Champions this year, Saltwater Cowboy (FL) and Shell Shock (TX)! Saltwater Cowboy is the first person from our Eastern Territory to win CFDA's Top Gun of the Year. Shell Shock joined Tank as the only Junior Shooters to win Top Gun of the Year, Tank accomplished it in 2021 at the age of 17, Shell Shock is 16. Please see interviews with each of them in the next Gunslinger's Gazette.

2024 Marshal's Muster

It's interesting each year, when the Marshal's Muster Agenda is published, some of the comments that make their way back to me, either through word of mouth or social media. Just because an agenda item is proposed by a U.S. Marshal doesn't mean it's going to happen.

Each year, I'm glad to say, that I find a rather conservative group sitting around the conference table. Not that they are opposed to voting to make necessary adjustments and changes, but there better be a damned good reason to do it! The first thing I do is ask that no one comes in that room with their mind completely made up how they are going to vote on any agenda item, because they should take into consideration the round table discussion before making their final decision. Anyone who has been in this room has learned that there's a lot of experience sitting around that table and someone just might make a mind changing point during any of our discussions.

This is a great process and I can understand why some clubs, especially in the Eastern U.S. might feel left out if they cannot attend. We had an agenda item last year about turning these things into Zoom Meetings, but with a group this size, attempting to have a meaningful discussion with a Zoom Meeting would, in my opinion, be a disaster. As it is, to get this meeting done in the allotted time is a challenge. After all, almost everyone in the room are friends and conversations can wander off topic very quickly. I try to do my best to keep the meeting moving and to the point, by listening carefully and moving on to the next person or point efficiently. Most have been happy with the flow of the meeting, a few have stated otherwise, and I respect that.

The two main accomplishments this year were concerning Holsters & Range Master Training. I recommend every member download and read the 2024 Marshal's Muster Minutes.

Holsters

The subject of damaged holsters has festered for years. As our sport got faster, some members pushing for ultimate speed have a tendency to shoot the front of their holster, then attempt to patch it up. By over a 2-1 margin the U.S. Marshals agreed that a holster can never really be repaired back to its natural form. However, they did agree that if you attempted to do it, you must use period correct materials including Leather & Rawhide, using a needle and thread. No modern glues or fillers can be used.

They also approved that holsters that have been repaired in a non-acceptable manner should not be approved by Range Masters at an Equipment Check before an event. However, if a shooter damages their holster during the course of a contest, they shall have the option to either the replace the damaged holster or temporarily repair it, before the next round is fired. A replaced holster must pass another Equipment Check. A temporarily repaired holster must be brought up to compliance standards for both safety and rules, and approved by an official. The approval for a repaired holster expires at the end of the competition.

The U.S. Marshals also approved and CFDA Management agrees that we should mark holsters during Equipment Checks as well as guns. Some of the suggested methods of holster marking included zip ties, stickers, yarn, or

concert/hospital bracelets. No clear decision was made on exactly what type of marking, but we trust that different matches will try different methods and perhaps CFDA should adopt a standard. The next several months will be a testing period and perhaps at next year's Marshal Muster a preferred method will be adopted. In the meantime, we ask that contest Hosts start marking and trying new ideas.

Range Master Training

Some members have suggested extending Range Master Qualification beyond the current 2-year time-period. The fact is, that Range Masters are listed and considered still qualified for an entire year after they expire, so it is actually 3-years. We have also drastically simplified the renewal process into a one-page Continuing Education Training Log. Our main goal is simply to keep Range Masters active and informed on current Range Master procedures.

There was a policy wherein the initial Instructor was only (Part One) of the qualification process. (Part Two) was having an additional Instructor to observe a RM Candidate at a titled championship, before the final sign-off. It is a well-known fact that we have some rather experienced members who for one reason or another have not either taken training or renewed as Range Masters.

The above issue was discussed at the Marshal's Muster and then at the Annual Regulator Posse Meeting that followed. Here are the following actions that were taken...

1. RM Candidates, Renewing, or expired RMs still must review the latest edition of the RO Course and take training as needed from a Regulator or Range Master Instructor.
2. Any Regulator or RM Instructor that is confident that the Range Master they trained or observed is competent in the ability to safely and efficiently run a CFDA Range, can sign-off the application or renewal document, instantly promoting them to Qualified Range Master. It is the responsibility of the newly Qualified Range Master to submit their appropriate and signed forms to the Range Master General, or their name will not appear on the Official Range Master List that is updated monthly at CowboyFastDraw.com.
3. If there is a shortage of Qualified Range Masters. A Match Director of a CFDA Titled Championship may temporarily appoint registered CFDA members as Range Masters, if they are confident in their ability to safely act in the capacity of a Range Master.

I look forward to seeing you all at a Cowboy Fast Draw contest soon.

NEWS AND ANNOUNCEMENTS

By: Alotta Lead, CFDA Operations, Clubs & Events Director

Well, we did it! *“Fastest Gun Alive”™* 2024 World Championship was probably one of the best we’ve had so far. Having it in July wasn’t so bad, actually it’s a great time to hold the event. Every year, FGA gets better & better! The positive comments we received, everyone had a great time, things ran smoothly & on ran on time!

I also want to say congrats to the 2024 FGA World Champions- Two repeat winners- “Dead Eye Daisy” & “Oregon Ranger”! Boy oh boy, some fantastic shooting from those two! Looking forward to next year to see what they can do.....another repeat?

We know it was tough for a lot of members to attend this year’s event because either the economy has hit them hard, or the date interfered with a prior family commitment. Either or both played a huge factor in the lower turn this year, but heck, 200 in attendance for this year was pretty darn good!

The evening events were great! What about the Life Member Reception! Hannah Calder planned that evening out to a “T”, and it was a “Blast from the Past”! The Fabulous 50’s returned for two fun-filled hours that went by way too fast! Great job Hannah Calder & thanks to all that volunteered to help pull it off!!

Fastest Gun Alive Future Dates Announced! The dates have been set for the next three years so **you can plan ahead!** For **FGA 2025 the dates are: July 16th through the 20th** with Wednesday being the kick-off of the evening events and Friday starting the main match- the 2025 Fastest Gun Alive-World Championship!

Fastest Gun Alive 2026, the date is the third weekend of July, the 15th-19th and FGA 2027 dates will be July 14th – 18th. The championship is held inside the beautiful 3C Arena. The word has gotten out around the western part of the country about this facility in Fallon Nevada. Being centrally located, it’s become so popular, that the events are out growing the building. Every weekend is filled with rodeos, shows of some type, big events, conventions, you name it. Management has told Quick Cal that major improvements and

additions are planned in the near future for the entire Fairgrounds. But we have it locked in for the next three years on the dates mentioned. Very cool deal.

Everyone, mark your calendars for the BEST show in town!! Online entries will be up within the next few months ready to go.

It’s already looking to be a busy season for the 2025 CFDA match schedule. Check it out with more CFDA Titled matches getting in the line up for more fun filled weekends ahead. So, get your traveling pants on and grab a shootin’ buddy and head out on the “CFDA Tour”! A lot of matches are getting close together to where you can travel weekend to weekend and plan your 2025 itinerary. If you’re a club looking to put on a titled match, please submit your 2025 Sanction Agreement soon as to not miss out on your preferred date.

The Shoot for the Stars Auctions, Soooo..... We already have some of the **BEST ITEMS EVER for 2025!!!** We’ll start showcasing what they’ll be in the coming months on CFDA Facebook Society page to get everyone excited & ready to bid! One item came to us by pure coincidence. The story is to be told & someone is going to be the lucky winner of a truly treasured item from someone we all know so well. The auction will see the return of the “Signature Banner Bidding War” with several other “Signature” items up for auction we think you’ll really like a lot in 2025....Stay tuned!

The Gazette is always looking for “Guest Contributors” for each issue! Sometimes there is space that needs to be

filled & what better way to do that than to have members showing off their writing skills, their sense of humor in either story stories or poetry, their creative side if you will! We know there’s a lot of you that have a short story to tell about something interesting about, your club, your area, or how you came about your “interesting alias” how about your favorite recipe! We’re always looking for items that can fill a small space in the Gazette & you never know when you might be a featured guest contributor! Submit to: info@cowboyfastdraw.com and you just might be chosen to be one of many guest contributors. Give it a try~ you might enjoy it!

In closing, a Big Thanks to everyone that attended the 2024 FGA this year. We know it wasn’t easy for some to get there but you did & we all thank you for making the trip. Also, congratulations to all the winners of the different matches that were held throughout the week. For complete results from the championship. Go to cowboyfastdraw.com. Thank you to our Sponsors and especially *BreakThru Beverage*, our “Long Branch Saloon” Sponsor. They donated the libations (excluding beer) everyone enjoyed Thursday, Friday & Saturday evening event. Thanks to our family, the Great Basin Gun Hawks, and all the out-of-town volunteers that pitched in and made the set-up and tear-down so much easier. You’re all so appreciated! Again, mark your calendars for next year’s Fastest Gun Alive-World Championship- July 16th- 20th 2025~ Hope to see you there.

THE SUNDOWNERS HOST THE

2024 WESTERN TERRITORIAL AND

BY HUCKLEBERRY HONEY

2024 WESTERN TERRITORIAL CHAMPIONSHIP

Thursday June 12th, we started The Western Territorial Championship with a little warm up, shooting warm up that is because it was plenty HOT outside! Hot enough that we brought the Jackpot indoors with air conditioning.

At high noon, shots were fired for the ladies and they battled through 11 rounds – last man standing format, 3X – Nevada 8. 18 ladies in this group and three of them were Annie Oakley, Little J and Pickle (AO), and Annie B Goode all had 2Xs going into a bye in round 10. Annie B Goode hits her target .553 just a little faster than Little Js .569 leaving the sisters to battle. Pickle hits every time her older sister, Little J does, just not as fast. Now Annie B Goode and Little J take 4 shots to have a winner and it's Annie B Goode. Congratulations ladies!

Now, on to the men's Jackpot who had 43 shooters. They shot through 13 rounds and must have watched the ladies shooting because at round 12, the last three shooters also had 2xs each. Crosswired won the bye round leaving Cowboy Up and Witlock. After 5 shots, Witlock prevails. Now down to Witlock and Crosswired, who take 5 shots to determine Witlock the winner. Congratulations men!!

Now bright-eyed and bushy tailed, 7am starts the Western Territorial Championship shooters meeting to get the One-Day 4X - Magnificent 7 Championship rollin'.

We had lots of shooting through the day and 4 ranges moving steady with Wild Shot in the scoring room. At the end of a hot day, we started the Finals with our Youth Fabulous 5. The Youth seeding going in was 1st Little J, 2nd Night Hawk, 3rd Dink, 4th Sniper, and 5th Pickle. Each of these kids got shuffled in the lineup. It came down to Sniper and Little J with one X each but it was Sniper from Idaho, hitting 1-2-3 to shoot out Little J from California, winning The Western Territorial Youth Championship! Congratulations to all the youth shooters!

Our Top 3 Jr. Shooters were placed within the standings. Congratulations to all our Jr. Shooters! 1st Shell Shock, TX – 2nd Ry-Dog Jones, CA – 3rd Anytime Kid, CA

Up next, the ladies Magnificent 7. The seeding order going in was 1st Huckleberry Honey, 2nd Honey Bucket, 3rd Shell Shock, 4th

Lefty Lipscomb, 5th Holli Day, 6th Kiss-N-Tell, and 7th Prairie Rose. Each of these ladies also changed their order during the finals. First up, our 6th and 7th seeds, Kiss-N-Tell and Prairie Rose. After 4 shots Prairie Rose comes out the winner of that round to take on our 5th seed, Holli Day. This time it is Holli Day who wins the round against Prairie Rose. So now it's Lefty Lipscomb, our 4th seed who takes on Holli Day. After 6 shots, Lefty Lipscomb takes that round while Prairie Rose and Kiss-N-Tell shoot it out for 7th place. 5 shots determine it's Kiss-N-Tell who takes 7th place. Lefty Lipscomb now takes on the 3rd seed, Shell Shock who is having a hard time finding the target. Lefty Lipscomb wins that round while on lanes 3 & 4 Holli Day and Prairie Rose are shooting to determine 6th place. After 4 shots, Prairie Rose's fate is determined to be 6th place. Lefty Lipscomb now takes on the 2nd seed, Honey Bucket. Lefty Lipscomb is warmed up and hits 1-2-3 to take the win against Honey Bucket. Over on lanes 3 & 4, we have Holli Day and Shell Shock. 3 winning hits against 2, Holli Day takes another win, placing Shell Shock in 5th place. Now Lefty Lipscomb takes on the 2nd seed, Huckleberry Honey. Huckleberry Honey hits 1-2-3 and wins the round to sit in the catbird seat. Over on lanes 3 & 4, Honey Bucket and Holli Day are having trouble finding the target. Mind you, this was Holli Days 5th round out in the hot sun, and it was HOT! Its Honey Bucket who wins the round, 3 to 2 and Holli Day places 4th and heads over to the shade. Now we have Lefty Lipscomb and Honey Bucket to settle on 3rd place. Honey Bucket gives Lefty Lipscomb some payback and hits 1-2-3 winning the round and Lefty Lipscomb takes 3rd place. On to determine the winner.... Honey Bucket has 1X, while Huckleberry Honey is clean. After 4 shots Honey Bucket wins the round. Now they are both with 1X. After 5 shots, 2 to 3, it's Honey Bucket who wins, and Huckleberry Honey takes 2nd place. The ladies congratulated each other and give an extended hug and shed a tear as this was Honey Buckets 1st Championship WIN! Honey Bucket is our Ladies Western Territorial Champion! Congratulations to all the ladies!

On to the men's Magnificent 7 seeding, we have 1st Oregon Ranger, 2nd Cowboy Up, 3rd Short Keg, 4th Tank, 5th Old Drifter, 6th Red Ryder, and 7th Turd Herder. Dang, only two changed in this lineup, but this is how it went...

First up on lanes 1 & 2 come Red Ryder and Turd Herder. The hits are 2 to 3, and Turd Herder takes the first win. Out comes Old Drifter to challenge Turd Herder and this time it's Old Drifter who takes the win. Old Drifter then takes on the 4th seed, Tank. 3 to 2, Old drifter wins the round again. Over on lanes 3 & 4, 1 to 3 Turd Herder wins again, and Red Ryder takes 7th place. Our 3rd seed Short Keg comes out and takes on Old Drifter. 3 to 2, its Short Keg who wins the round. Over in the placement lanes it's Turd Herder and Tank who go 0 to 3 for the win and Turd Herder takes 6th place. Cowboy Up steps up to the line to take on Short Keg. After 4 shots, 3 to 1 Cowboy Up wins his first round. On lanes 3 & 4, Old Drifter and Tank go 0 to 3 and the win goes to Tank, while Old Drifter takes 5th place. Oregon Ranger takes lane 2, leaving Cowboy Up on lane 1. This round goes 1 to 3, putting Oregon Ranger in the catbird seat. Over in the placement lanes are Tank and Short Keg. The score is 2 to 3 after 5 shots, Short Keg wins the round and Tank is 4th place. Now to determine 3rd place. Center stage we have Cowboy Up and Short Keg. Short Keg not missing a shot, and only 4 shots in we have 3 faster hits from Cowboy Up. Short Keg takes 3rd place. Now the final two shooters, Oregon Ranger and Cowboy Up. Oregon Ranger is clean and Cowboy Up has 1X. This round only goes 4 shots. Cowboy Up gets 1 hit on the target but Oregon Ranger comes back with 3 to take the round and the championship. Cowboy Up takes 2nd place and Oregon Ranger is our Men's Western Territorial Champion! Congratulations to all the men!

After the finals, we headed indoors to cool off and awards were given out. Old Drifter started up the Poker Game over in Ol Buck's Range just after Lefty Lipscomb and friends provided a potluck in Range A.

The Western Territorial Championship hosted 131 shooters. 10 youth, 43 ladies, and 78 men. We would like to give a huge THANK YOU to the Bangor 4-H Club for providing a snack bar to our shooters throughout the long shooting weekend! Thank you to all who helped in any way. It takes so much work to organize and run any shoot and there are so many who pitch in without even being asked, we – The Sundowners, appreciate you! Thank you all for coming to the WTC at Shelterwood Ranch in Oroville, California.

Frontier Bobs Stagecoach Shootout – Little J .452 & Oregon Ranger .401

2024 U.S. NATIONAL CHAMPIONSHIP OF COWBOY FAST DRAW

Welcome to Oroville, California for the Sundowners second year of hosting the U.S. National Championship! It was a great showing from states all around the country, and as far east as Alabama. We had a warm - long weekend hosting 145 shooters, over 20 RVs plus a few tents. With different evening activities that took place on site at the Shelterwood Ranch from Frontier Bobs Stagecoach Shootout, an instructed Sip N Paint, Old Drifters Poker nights, and of course the James Slack Band as entertainment during banquet night. It wasn't too hard to find something to do during the down time.

A huge "THANK YOU" goes out to Spitfire Wax, Boulder Vaquero & Boulders Babe for sponsoring not only U.S. Nationals, but Western Territorial Championship as well. Four days of shooting, we were shooting Flat Iron wax down range. Again, many thanks to our friends at Spitfire Wax.

Friday during the shooters meeting for the U.S. National Category Championships, the color red was very noticed and dominate. Wearing red on Fridays, is to honor our Military. Fowl Shot spoke a few words, directed the pledge, and Yosemite Sean lead us in prayer. As is a Tradition at Shelterwood Ranch, Fowl Shot blasted off his 4-gauge shotgun overhead and let the U.S. National Championships begin..... and off to your ranges for a 3X, NV 8, Congratulations to the Top 5 Champions in each category!

Saturday morning was the official opening of the U.S. National Championship. Fowl Shot welcomed everyone to Shelterwood Ranch, Boulder Vaquero gave a safety meeting, the Pledge of Allegiance echoed through the range, and Yosemite Sean gave a prayer. Fowl Shot blasted off his 4-gauge shot gun overhead and let the U.S. National Championship begin. We ran through rounds until 3 that afternoon, then shut down to prep for a meal catered by a town favorite - Wagon Wheel Market. The James Slack Band played for us for the third year in a row, and they are fantastic! Folks gathered around with chairs to enjoy the music, some danced but all had a great time.

Another great competition was the Club Basket Challenge for Shoot for the Stars. This year's winner, by vote, were The Deputies from southern California. Their club basket sold for \$600 and their prize for winning was an event banner signed by all the shooters. The Runner Up club was Arizona, who conglomerated a fantastic display! Thank you to all the clubs who participated in this fun club competition.

During the WTC/USNC banquet, W. LeFors took over the microphone and introduced a new award. In honor of Sundance Kid who made leather saddle bags for folks, including Quick Cal, and has since passed away. Sundance Kid was truly a man who was full of kindness. To keep his name and memory carried on, when kindness is spread throughout CFDA it will now be recognized during the Western Territorial Championship by receiving The Sundance Kid ~ Kindness Award.

W. LeFors asked Ranger Reeves, an amazing leather worker, to create a leather bag similar to those of Sundance Kids. He asked Ranger Reeves to please have this leather bag complete by Western Territorial Championship, unbeknownst to Ranger Reeves what the true intent for the bag was.

Ranger Reeves (right) and Philippines Red, pictured with W. Lefors receiving The Sundance Kid ~ Kindness Award

Ranger Reeves and his wife, Philippines Red are out of Nevada and if you ever meet them, they are the most giving couple. They would give you the shirt off their backs if there was even a hint you needed it. They've sent holsters all over just to let folks try them out for their clubs, or personal use. They have donated many holsters for championship winners, including two complete and BEAUTIFUL rigs for our U.S. National Champions. W. Lefors then called up Ranger Reeves and Philippines Red up and congratulated them to be the first recipient's to be honored with the traveling saddle bag. As the recipients travel to matches throughout the year, they will have this bag in tow. If you see it, it is there to collect money for Shoot for the Stars. At the 2025 WTC, they will return the bag and the next recipient's will be announced. Ranger Reeves and Philippines Red collected \$160 for Shoot for the Stars.

Thank you W. LeFors and Diablo Daisy for creating this very special award. Kindness goes a long way and Congratulation Ranger Reeves and Philippines Red, you both exuberate kindness!

Stars! The scholarship fund that supports our young adult's college tuition. Thank you so very much, this is a joint effort. If you donated or purchased – this is all YOU!! Congratulations and THANK YOU!

Sunday morning, we continued with one round of the Nationals main event, then those who X'ed out were still able to join into the brackets. With that, both events ran, and everyone kept shooting. Brackets ran on two ranges while Nationals ran on the other two. Brackets ran as a 2X, Nevada 8 format and awards to the Top 3 of each group.

As the bracket match came to an end, and the main match Magnificent 7 seeds were determined, a short break was taken then off to the races. Our youngsters started the show, and I can't compliment this whole group of kids enough. They hung out and played together off the line. They were well mannered, had GREAT sportsmanship – win or lose and it was amazing to see. I saw them many times around a table playing cards or huddled up and just laughing about. They always stayed close to their range of an ear shot if they were called and if one went off to the line, they all went. Like I said, it was amazing to see. They always made me smile!

Thank you to our Finals Announcer - Curley Calhoun, Scorekeeper - Cool Hand Suz, Range Master - Gambler, Hand Judges - Rossow, Skinner, Montana, Boulder Vaquero, and our Line Judge – Muletrain. These jobs aren't always easy and it was HOT out there. Thank you!!

Starting with the Annie Oakley Top 7 seeding order, 1st Phoebe Ann, 2nd Little J, 3rd Baby Beast, 4th Six Gun Shelbs, 5th Ruby Round House, 6th Pickle, and 7th seed was Miss Em. The girls switched places in the outcome. Little J from CA went clean during the finals and took 1st place. 2nd Phoebe Ann - AZ, 3rd Pickle - CA, 4th Baby Beast - CA, 5th Six Gun Shelbs - NV, 6th Ruby Roundhouse - ID, and 7th Miss Em – NV. Great shooting young ladies!

Going into the finals for Billy the Kid, seeding order was as follows - 1st Dink, 2nd Sniper, 3rd Night Hawk, 4th Showdown, and 5th Dancing Bear. Sniper from Idaho went

boys take their turns up on the line next. Ry Dog Jones for CA takes 1st place, 2nd place Hits - CA, and 3rd place is Anytime Kid, also from CA. Congratulations to all our Junior shooters!

Ladies Magnificent 7 seeding; 1st Annie B Goode - ID, 2nd Honey Bucket - CA, 3rd Prickly Pear - AZ, 4th Ricochet Rose - CA, 5th Deadeye Daisy - ID, 6th Shell Shock - TX, and 7th seed was Huckleberry Honey - CA. First to the line was Huckleberry Honey and Shell Shock. These two had a really hard time finding the target (I can say that because I was one of them). But it was Shell Shock who finally won the first round 1-3. Next up, Shell Shock took on Deadeye Dixie, winning 3-0. Ricochet Rose walks to the line and moves Shell Shock from lane 1, but that didn't work as that round went to Shell Shock 0-3. Over on lanes 3 & 4, Huckleberry Honey takes the win against Deadeye Dixie 3-0 placing Deadeye Dixie in 7th place. Shell Shock now takes on Prickly Pear, our 3rd seed. Shell Shock again prevails and takes that round 3-0. Shooting over on lanes 3 & 4 were Huckleberry Honey and Ricochet Rose. Huckleberry Honey wins that round 3-0, and Ricochet Rose takes 6th place. Now Honey Bucket tries to throw Shell Shock off her game by taking

lane 1 but that doesn't work. Shell Shock wins the round 3-0 to send Honey Bucket over to lanes 3 & 4. Huckleberry Honey and Prickly Pear get three shots down range but Huckleberry Honey wins the round 3-0, and Prickly Pear takes 5th place. Our 1st seed Annie B Goode comes out to challenge Shell Shock but after three shots down range, Shell Shock wins 3-0 taking the catbird seat and waits..... Meanwhile Honey Bucket and Huckleberry Honey take six shots to figure a winner of the round. This round goes to Huckleberry Honey 3-2 and sends Honey Bucket out in 4th place. Now Annie B Good comes over from her loss from Shell Shock to lanes 3 & 4 to determine 3rd place with Huckleberry Honey. Huckleberry Honey wins 3-0 and Annie B Goode takes 3rd place. Now seeds 6 & 7 meet again. Shell Shock already gave Huckleberry Honey an X in their first round so Huckleberry Honey would have to win twice against Shell Shock. The score goes 3-2 in favor of Shell Shock, and she wins her first ever U.S. National Championship Title! Congratulations to all the Mag 7 ladies, great shooting!

Over to the mens Magnificent 7 seeding lineup; 1st Oregon Ranger - OR, 2nd Yosemite Sean - CA, 3rd Witlock - CA, 4th Tank - ID, 5th Ry Dog Jones - CA, 6th Master Gunfighter - CA, and 7th seed was Crosswired - OR. Crosswired and Master Gunfighter start us off. This round goes to Master Gunfighter 3-2, as Crosswired will wait for his next opponent. Ry Dog Jones comes up to the line next and wins this round 3-0. Ry Dog Jones now must try against the 4th seed Tank, but it's Tank who wins against Ry Dog Jones 3-0. Over on the placement lanes its Master Gunfighter and Crosswired who shoot 5 shots down range to determine Master Gunfighter bows out at 7th place. Witlock walks out to the line taking Tanks winning lane, but it doesn't work. Tank won this round 3-1. On the placement lanes Crosswired and Ry Dog Jones take 6 shots to find Ry Dog Jones will stay and play 3-1 while Crosswired takes 6th place. Now our 2nd seed Yosemite Sean will try his hand dealing with Tank but is still on a roll winning another round 3-1. On the placement

lanes, 3 & 4, we have a 16-year-old who just won the Junior Boy Championship. He gets 2 hits on Witlock, but it's Witlock who gets the final hit to win 3-2, putting Ry Dog Jones out in 5th place. Awesome shooting for Ry Dog Jones to make it so far out of 87 men and in his first year as a junior. Oregon Ranger, our 1st seed came to the line to challenge Tank. After 4 shots, Oregon Ranger wins 3-1 over Tank and will sit in the catbird seat and wait... Over in lanes 3 & 4 the score goes 3-0 and Witlock wins the round placing Yosemite Sean in 4th place. Now Witlock and Tank take center stage to work out who gets 3rd place. The score goes 2-2 but it's Tank who gets the final hit and takes the round 3-2 placing Witlock in 3rd place. Now for the final two men. Tank has 1X, given to him by Oregon Ranger and Oregon Ranger is clean. Tank wins the round 3-2, and now they are both dirty with an X each. They switch lanes to see who will take the championship. Four shots down range, the score was 3-1 and Tank takes 2nd place and Oregon Ranger wins another U.S. National Championship! Congratulations to all the men, fantastic shooting!

Thank you to all who attended this year's U.S. National Championship Event. With the attendance down by only 6 shooters to last year - it was definitely a success to The Sundowners, and we would be honored to ever have this Class A Championship in our backyard again. The future can only tell. So until next time, Be Safe, Shoot Straight, & Have FUN Doing it!!

GREAT NORTHWEST TERRITORIAL CHAMPIONSHIP

MAY 24-26, 2024

By
Catamount

Caldwell, Idaho - The 15th Annual Great Northwest Territorial Championship kicked off with a beautiful, sunny day! Sixty-four shooters gathered at the Crazy Woman Range in Caldwell, Idaho, this day to participate in the event.

Friday began the fun with the category matches, which were quickly wrapped up by 1:30 p.m. The following were the winners of each category: Annie Oakley – Fire Dancer; Billy the Kid – Quick Freeze; Ladies Traditional – Deadeye Dixie; Men’s Traditional – Tank; Ladies 49’rs – Lefty Lipscomb; Men’s 49’rs – Nessuno; Ladies Senior - Bare Belly Nellie; Men’s Senior – Turd Herder; Ladies Super Senior – Gunpowder Puff; Men’s Super Senior – Buckwheat James; Men’s Old Timer – Bounty Hunter; Golden Ladies – Legally Loaded; Men’s Golden Gun – Short Keg; Elder Statesman – Buzzard Cooper; Ladies Shootist – Annie B Goode; and Men’s Shootist – RG.

Due to the early finish time and still having plenty of extra ammo, an impromptu 2x, fifty percent payout Pot Shoot was organized and held. Twenty-two gunfighters battled it out with Silent Shot emerging as the undefeated victor!

Saturday morning started off overcast but mild with 70 registered shooters ready to give it their best. California, Colorado, Oregon, Nevada, Idaho, and Utah were all well represented this year by old friends and a few new faces. Once the Pledge of Allegiance and prayer had been offered, Nessuno and Sandy called up the Veterans and First Responders to recognize them for their service and to give them a small token of thanks. It is due to brave men and women like these that we have the opportunity to enjoy this sport! After opening ceremonies were over it was time to get down to business. The weather cooperated with the clouds rolling out in time for the first round

Dinner was provided at the range on Saturday evening. As usual, there were a few shenanigans that evening, along with some surprise levitating! Just ask Turd Herder, Pyro, Montana, Skinner, Dangerous Dave, or Trinidad the Kid about the experience. After dinner, Old

Drifter hosted the traditional Shoot for the Stars Poker game. Half Fast Eddy ended up holding the lucky hand to win!

Blast for Cash bracket matches began bright and early Sunday morning, allowing everyone another chance to shoot well. When the brackets were finished, the following gunfighters were triumphant: Deputy – Madam Clerk; Sheriff – Deadeye Dixie; Gunfighter – Desert Dingo; and Master Gunfighter – Gambit. The main match rounds then continued until the Magnificent Seven were determined.

The Champion Shoot-offs began with our Annie Oakley shooters, Fire Dancer and Ruby Roundhouse (both from ID). Ruby Roundhouse prevailed to win her second GNTC Annie Oakley Championship with Fire Dancer placing second. Next up was the Billy the Kid Championship. Boy Named Sioux (UT), Night Hawk (CA), Quick Freeze (ID), and Sniper (ID) shot it out. Night Hawk succeeded in becoming the Billy the Kid champion, with Quick Freeze coming in second, Sniper finishing third, and Boy Named Sioux placing a very respectable fourth in his first ever sanctioned match! Congratulations to all of our youth for shooting so well!

The Magnificent Seven Ladies line up followed the youth. Huckleberry Honey (CA) was seeded first, Debbie Sioux (UT) second, Ms. Hettie (ID) third, Lefty Lipscomb (ID) fourth, Honey Bucket (CA) fifth, Gunpowder Puff (CA) sixth, and Deadeye Dixie (ID) was seventh seed. These ladies gave it their all with it coming down to one final shot between Lefty Lipscomb and

Debbie Sioux. Debbie Sioux edged out Lefty Lipscomb to win the Ladies Championship match. Lefty Lipscomb placed second, followed by Huckleberry Honey in third, Gunpowder Puff in fourth, Ms. Hettie in fifth, Honey Bucket in sixth, and Deadeye Dixie in seventh. Great shooting ladies!

To finish out the Championship match, the Magnificent Seven men were called up. Gambit (ID) was seeded first, Ambush (ID) second, Dangerous Dave (ID) third, Sundowner (CA) fourth, Short Keg (NV) fifth, Mongo (CO) sixth, and Turd Herder (CA) was seventh seed. It was a great match between all the men, those six guns were blazing! When the smoke cleared, Gambit had emerged victorious as the Men's Champion. Short Keg ended up second, Ambush placed third, Mongo came in fourth, Dangerous Dave was fifth, Sundowner got sixth, and Turd Herder earned seventh. Way to go, gunfighters!

Our resident Champions were Lefty Lipscomb and Gambit. The Top Couple Award was presented to Gambit and Deadeye Dixie. Fastest Time awards were given to the four main categories: Annie Oakley – Ruby Roundhouse with .742; Billy the Kid – Quick Freeze with a .509; Ladies – Huckleberry Honey with a .394, and Men – Buzzard Cooper and Rango tied with a .345. Annie B Goode was the winner of the gun raffle and Honey Bucket won the gun square drawing, choosing the short spur Ruger as her prize. Wild Shot received the Spirit of

the Game award and appreciation gifts were given to PG Taylor, Dangerous Dave, Wild Shot, Bean Counter and Etta Mae. Turd Herder was even surprised with his very own mini golden turd!

We want to extend a special thank you to Miss B Haven and Calamity for operating the grill, ensuring breakfast and lunch were available throughout the shoot, and for the use of the range! Also, a big THANK YOU to all those who were behind the scenes and helped to make the shoot a success: Wild Shot and Bean Counter for keeping things running smoothly in the Schoolhouse; the many volunteers who stepped up to range master, announce, and score keep; Bam Bam, Dangerous Dave, Nessuno, Sandy, Twin Peaks (registration table), Buckwheat (silent auction/door prize table), Wolf Song (photographer during the match), and Catamount (award photos).

Last but certainly not least, we want to thank Miss B Haven and Calamity, along with those members of Snake River Gunslingers and Eagle Rock Outlaws clubs who helped set up on Thursday and cleaned up on Monday. It takes a village to make an event like this happen and we appreciate every one of you!

Mark your calendars now for May 23-25, 2025, to shoot with us at the 16th Annual Great Northwest Territorial Championship. Until then, we look forward to seeing you down the trail!

EMBERLY ★ HIT'S ★ AND LADYBUG!

EMBERLY

Howdy! My name is Emilee Parker, but most people within Cowboy Fast Draw refer to me by my alias Emberly. I am 18 years old, but I began shooting fast draw when I was 14. I've shot with the Treaty Rock Freedom Fighters from the beginning and invested time in the club as it was built and today with cleaning, score keeping, and announcing. I am a 2024 Timberlake Senior High graduate and take pride in my academic work and achievements. Being on the honor roll throughout high school and completing a year of college before graduation. I've always put my academics first. This fall, I will be attending the University of Nevada, Reno, to study veterinary science in their agriculture department. Aside from my academic work and CFDA, I enjoy other extracurricular activities such as Future Farmers of America and Business Professionals of America. These extracurriculars have helped shape my self-development and encouraged me to pursue a future occupation that embraces my interests in agriculture, animals, and business. When I find spare time, I enjoy skiing, dirt-bike riding, hiking, and of course fast draw. I would like to thank everyone who supports Shoot for the Stars and for the opportunity I was provided to apply. Emberly has been awarded a 4 year scholarship in the amount of \$12,000.00 to be paid out at 1500.00 per semester.

HIT'S

My name is Justin Mayfield. I am 17 years old pursuing a psychology major along with trying to play Baseball. I am currently a two-time California State Champion in the Junior Boy division and placed 2nd in my very first competition at worlds almost 3 years ago. Being a part of CFDA has helped me grow and mature along a path that I'm sure I will stick with for a long time.

Hit's has been awarded a 2 year scholarship in the amount of \$6,000.00 to be paid out at 1500.00 per semester.

LADYBUG

Hello, my name is Gabriella Casteel aka Ladybug. I joined CFDA at the age of 12 in 2017. I am part of the Bluegrass Fast Draw Club in Kentucky. I come from a family of CFDA, my grandfather is Shane, the founder of Bluegrass Fast Draw Club and my uncle is Johnny James. I graduated from Grayson County High School and have been into Berea College. I plan to pursue a career in the Art Field. For a long time, I have known I have a talent gifted from God, my art has always shocked people and I have heard plenty of times that my art looks like a picture. I am determined to make a future for myself, and I am so grateful to have come into a sport like Cowboy Fast Draw, who will support me and my future.

Ladybug has been granted a two-year scholarship in the amount of \$6,000.00 to be paid out at 1500.00 per semester.

THE DIRTY FACE GANG HOSTS THE

2024 COLORADO STATE AND CHAMPIONSHIPS OF

Howdy & Hey from the Dirty Face Gang, A huge and truly heartfelt love and thanks for everyone that came to the Colorado State & Four Corners Territorial, our Dirty Face Gang and my family are truly blessed by everyone in the CFDA family.

Before I get into individual standings and events that were held, if I can take a moment to share a story of how truly blessed we all are as a CFDA family and my own personal journey that has occurred and what it means to me here in 2024. In the beginning of last year I wanted to build a small church front with a pulpit out front so we can hear the word of the Lord in our prayers at our shoot's and at practice. It was a general "heck yeh" from everyone in the DFG and built it we did with help from everyone in the beginning of this year. Although just a church front and pulpit I truly felt something deep inside of achieving a milestone in my life, something I felt I have been searching for a lifetime. Throughout my life believing and praying in Christ but like most people of faith with the human

condition, always searching for answers, many people have spoken to me about the "door", this elusive door which when presented I just couldn't figure out how to walk through. This year after building our own little DF Gang Church I began hearing from lots of people, a phrase, "He is here with us, right now!". I first heard it from Warden in prayer out at practice before we began our day filled with fun, this was on a Sunday, I heard the same phrase from others in conversations about Christ as the weeks kept passing. During our State event and at the meet & greet, Quigley and Tenacity showed up after a severe injury to his shooting hand, they showed up with the boys Logan, Charlie & Oliver to show their support for the DFG. For starters when I meet up with Quigley he always gives me a big hug and whispers something in my ear, with a huge surprise he whispered I'm gonna ask for a favor and you can't say no!, I replied "anything, without exception!", he asked, could I marry him and Tenacity? Something welled up inside of me I can't explain, I have never had another grown man make

me cry, but my heart had other ideas at the moment. Quigley then mentioned they both wanted to do this right now! I had a panic attack but something inside told me you got this so Get'er Done, I yelled out, "were gonna have a Gunfighters Wedding" and "it's happnin right NOW! The entire CFDA family stood up with a scream of Whoooo! And Heck Yeh! I had asked Quigley and Tenacity if it was ok to bring the Lord into the wedding and Quigley replied "He is here with us right now!" That's when I broke, by hearing that same phrase from so may people I truly now believe that was Him kicking me in the pants through that dang door!. We had us a gunfighters wedding and the Lord was with us, don't remember exactly what I said but it was truly from my heart and I felt guided by Him and felt nothing but blessed to do so with a Love so

big it can't be described in words. Then at the FGA I was blessed to her from Yosemite Sean on that Sunday explain salvation and the path to get there, quote, some it happens in a moment as with him one day, it changed his life, for others it's a journey that sometimes takes a lifetime, but true salvation is only through Him. We are all truly blessed to be apart of the CFDA and the fellowship it brings into all of our lives. And Everyone Said, Amen!

Now to begin on our Colorado events we started off with a great start and our tradition with the Dirty Face Gang to honor our Veterans with the Armed Forces Shootout which was won hands down, Desert Dingo took the 1 X shootout. Desert Dingo was on fire throughout all of the Colorado events so congratulations.

For the Colorado State postings with the family from Arizona who came to Colorado and put the challenge to everyone. We had Bandana Kid fight for the top spot at first place winning the Colorado State Women's Championship by beating out Honey Bucket who did not go easy and fought for every shot. Congratulations to all the women gunfighters who placed and had some pretty close matches each and every gunfight.

For the Colorado State Men's division we had the Arizona Cactus Kid on the mark every match, he was the guy to beat and every gunfighter was out to give him a gunfight each round, which was super exciting to watch. Desert Dingo coming in second seemed almost unbeatable and fought for each match giving Arizona Cactus Kid a run for the money and the title. Turd Herder seemed unstoppable and in my opinion was giving everyone outstanding gunfights and handing out X's as was Diamond Jim every round. Great job to all the gunfighters in the Colorado State Championship.

The Colorado State Resident Champions

for Men's and Women's went to one of my favorite couples from Colorado. The amazing buckles and the titles went to Blaze & Skipper, congratulations to some amazing gunfighters and in my opinion super folks.

The Four Corners Championship was again topped by the Arizona Cactus Kid fighting it out with Desert Dingo, Big Bad John and the Gambler handing out X's to everyone like tossing candy to kids sitting on the curb at a parade. I left with pockets full of candy, just sayin. Outstanding gunfights from all and congratulations to all of the Four Corner Gunfighters in the Men's Division cause there were some serious matches to fight for the top spots.

The Four Corners Women's division were matched with some of the best Women gunfighters in the country this year and every match was exciting to watch, none of them went down without a fight. We had the top two spots dominated by sisters from Arizona with Sierra Rose edging out her sister in a great gunfight, Sierra Rose taking the Women's Championship. Keeping in the family tradition, the next two spots went to Shell Shock taking third place and K.K. Kid right behind her in 4th place. Some of the best gunfights were right here in Colorado, must be something in the air?

For the Four Corners Resident Championship was swept away and taken again by Arizona Gunfighters with Arizona Cactus Kid taking the Men's buckle home and Sierra Rose taking home the Women's Title. Congratulations to both, they are gonna have to build a separate addition to this family's home for all of silver they keep taking from Colorado. Big shout out to Quick Cal for some of the most beautiful buckles I have ever seen. We're gonna have a gunfight next year to git us some Four Corners Buckles to stay here in

ALOTTA LEAD'S FAMILY FAVORITE RECIPES

Fall & football.....what better time to bring out the snack foods & try out new grub for the hungry crowd. Here's one that's super easy to prepare & you can make a ton at once & actually has very few ingredients! What could be better! You can fill these "cups" with a lot of different ingredients, but this is a "family favorite" for sure...anything BBQ for game day!

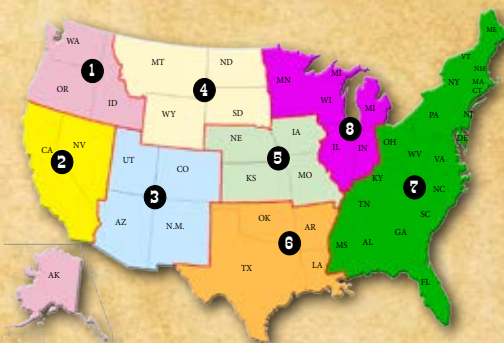

"Game Day BBQ Biscuit Cups"

½ Cup Celery – finely diced
¾ Cup Green Bell Pepper diced
¾ Cup Sweet Onion Finely diced
1 Cup of Your Favorite BBQ Sauce
1 ½ Cup of Colby-Jack Grated Cheese- or your favorite (Optional)
2 Lbs Ground Chuck Beef
2-Cans Flakey Biscuits -10 count cans
1 Tablespoon Brown sugar- Optional
Muffin Tin Regular Size

Heat Oven according to instructions on the biscuit can-usually 400 degrees.
In a large skillet, cook the ground beef -break up into a crumble, add onions, bells & celery until beef is cooked completely. Drain fat completely. Add BBQ sauce to meat mixture, (add brown sugar at this time which is optional, if you like a sweeter BBQ sauce,) stir and cook for about 5 minutes. Slow it down to a low simmer while you get the biscuits ready.

Grease the bottom and sides of the muffin tin really well. Separate the biscuits into 20 rounds. Put two together, roll them out to make approximately a 5" circle. You now have 10 dough circles, press each dough circle into a muffin cup and all the way up the side. Fill with the beef mixture, continue until you have filled all 10 muffin cups, then pop in the oven for 10 minutes (until the biscuit part looks golden brown). Take out of the oven & now go ahead & sprinkle with cheese – bake for another 1-2 min. & they're ready to go! Try a small dollop of Sour Cream on top instead of cheese or sprinkle a few finely chopped tamed jalapeños on top or both! So good!! FYI...You can make these any size you want! Use Jumbo muffin tins for more of a meal with a salad, or smaller ones for more of an appetizer size snack. The regular size tin makes the perfect size "Game Day" snack! Give it a try this season!

2024 NEVADA STATE CHAMPIONS SHELL SHOCK & RANGO

Fernley, NV - CFDA Headquarters, the home of Quick Cal & Alotta Lead, has also been the location for the Nevada State Championship since 2017. The tournament was hosted by CFDA in association with our home club the Great Basin Gun Hawks. We planned this date since only 3-hours away and just a few days later the Western Territorial & CFDA National Championship would make this a great "Western-Swing" for our traveling shooters.

85 Shooters showed up for a fun-filled 3 days of shooting. We began with

a Jackpot Shoot on Friday, just to get everyone warmed up. Then, the Friday Night activities started with a Social Gathering on the front lawn, and soon one of Old Drifter's famous Shoot for the Stars - Texas Hold'em Tournaments broke-out in the Bat Barn.

Saturday- After the Pledge and a Prayer, we set out to run the main tournament all the way down to the Magnificent 7 Shoot-offs for the Men, Ladies, and Youth, using three 6-Lane Ranges, two indoor and one outdoor. We knew it might get pretty darn hot by mid-afternoon, but the rounds ran fast and we had everyone into our two cooled indoor ranges by just after high-noon. We were all wrapped up and down to the Mag 7 by just a little after 3:00!

Time for some cool brews in the

shade! It cools down awful quick here in the high desert of Northern Nevada. By the time we began our home-cooked lasagna and meatball dinner on our shaded front lawn, everyone was cooled down and in great spirits. Between our downstairs bar, a pool table and fun games on the front lawn the fun went on until well after dark.

Sunday- Our all-inclusive Nevada State Bracket Championship featuring 3 brackets, Master Gunfighter, Gunfighter, and Sheriff, began first-thing in the morning. 3 Ranges – 3 Brackets and the championship went by real smooth and real fast! Please check out the Bracket Results and other Special Awards in this article...

By late morning we were ready to start our Magnificent 7 Shootoffs in the Bat Barn. We asked our old friends and

Mag 7 Finals

The Youth Finals came down to a close match between Dink and Sniper, with Sniper winning the Division. Our Ladies Final Round featured Ricochet Rose & Shell Shock, with Shell Shock taking the honors. The Men's Division came down to Fast Draw Legend, Short Keg & Rango, in not only a battle for high overall, but High Nevada Resident! Rango pulled it off and won!

By mid-afternoon the Trophies & Prizes were awarded and everyone either headed home or off West "into the sunset" as many made their way over the Sierra Nevada Summit towards another fun-filled week of Cowboy Fast Draw with our friends The Sundowners in Oroville, CA.

Congratulations to all of our Overall & Bracket Winners! Thanks to the Great Basin Gun Hawks for all that they do, and of course, I could never Thank My Wonderful Family enough for all the things they do behind the scenes to make everything as perfect as it ever can be.

Membership News & Announcements

Howdy once again! I have to say that before Fastest Gun Alive this year, I had a portion of this article written out already. Well, I just erased all of it because this year's event to me was unlike any other! I don't know if it was because it was held at a different time of year, the excitement of the "family reunion" type atmosphere or everyone getting amped up for the competition and just getting to spend genuine time with people you enjoy being around and don't get to see as often as we'd like. I'd look out from the CFDA General Store area and see shooters and their families sitting together sharing a meal. I'd see shooters talking to the general public who would make their way in out of curiosity, due to seeing our signs around Fallon. I'd see people shopping at the booths of vendors who were really excited to be a part of our event. And everyone was smiling and laughing and just having a really good time. Yes, FGA is always a fun, family friendly event. But something about this year was really special. I can't tell you how good it was to see everyone. I have the pleasure of talking to shooters on a daily basis. But there's nothing like seeing you all in person, giving hugs and putting faces to the alias.

You know? I cannot tell you how many times we had members come up to us and tell us "Thank you for putting on such an amazing event." And to be honest, it's so hard for me to say, "you're welcome." That may sound weird. But every time I would come back with "well, thank you." The reason I would say that is because CFDA & Fastest Gun Alive wouldn't and couldn't exist without you guys! We appreciate you so much and are so glad that this is how you choose to have fun.

And speaking of having fun... maybe you have some people in your family, or people you work with that need a

little fun in their lives and would enjoy this atmosphere as well? We all know people who may live close by that may not have much family around them. New neighbors. Maybe a new employee where you work. Invite them to practice. Show them our new website. Give them a copy of the Gazette. Bring them in. You never know. This could be the one thing they're missing. I've spoken with quite a few people over the years about joining CFDA. Those of you who have been around for quite a while know. Those of you who are new may not. There are some members who tell me that without CFDA, they have no idea what they'd be doing right now. Some have lost spouses, and some have suffered major medical circumstances. CFDA has been such a "therapeutic" aspect to their lives. Please do not take this as medical advice. As this is not meant for that purpose. But, getting people "on their feet." Getting those muscles moving. Setting goals for themselves personally and reaching them. This could be the very place where that neighbor, new co-worker, friend, mail man, grocery worker, dog walker, lady who gives you your pedicure (ok...ok...just kidding) finally feel like they fit in. And, with all that's going on in our world these days. We all need a place and a group of people to get together with and just have fun!

Memberships:

So, now. Down to business. After the cut-off date for the Golden Spike Award, I spent some time going through all the new membership applications and have a few things to hopefully clarify. It is so important that each club keeps a list of their new members and their information. As most of us know, The Golden Spike Award is one that many, many clubs strive for all season. It's any clubs to win! But, without keeping track of your new memberships, it's impossible to

follow up with them and keep them coming back. I do keep track of them here in the office as Membership Director. But I often have clubs call and ask for their new members' information. And at the end of the season, ask for lists of their new members for that entire season and their information. While I always love talking with everyone, when a new member joins, it's the responsibility of the club to keep their own records.

Often when a new member fills out the application, it's missing important information such as phone number, date of birth (the one that's missing the most) and email. Please take a few minutes and make sure it's **completely filled out**. Then make a copy or take a picture of it with your phone (excluding any payment information) or write their info down. Like I said previously, follow up is SO IMPORTANT!!! Potential/new members should feel like we really want them to be a part of our club(s). They should feel welcomed into the "family!" If your club ever needs any of the materials (Gazette's/brochures/new member packets), please let me know. I'll ship them right out to you. But when it comes to new member packets. **Please do not give them to the new member until payment for membership has been received.** We've lost quite a few badge numbers over the years that way.

Another thing I noticed last season was the number of applications with no club listed. There are quite a few people who find us on the internet and join. But there were many applications that said, "referred by a friend." **For clubs to get credit for new members, the club's name MUST be listed on the application. And, for your club to receive credit toward the Golden Spike Award, they must be recruited by a current member.** What I have found that works well is printing an application from the website (www.cowboyfastdraw.com), writing your club name in, then make copies. Once they fill it out. Just pop it in the mail and I'll take it from there. Those same applications can also be used for membership renewals.

Memberships are already coming in. We already have 8 clubs with new members. So, you're off to a great start. Let's really bring those members in and show them what the CFDA Family is all about.

Thank you all for everything you do for CFDA. Until the next edition, be well and always feel free to give us a call if you need anything.

~Jackie Daniels

Are You Looking For a Cowboy Fast Draw Six-Gun?

COMPETITION READY!

Payment, Shipping & Transfer Information (We Only Ship To FFL Dealers)

Cowboy Fast Draw Association holds a Federal Firearms License (FFL). We only ship (usually USPS) and transfer firearms to other FFL Dealers, which costs \$35 per gun. It is up to the purchaser to choose their FFL Dealer and supply contact information when they order their firearm. CFDA will contact the FFL Dealer to obtain necessary documents. After receiving payment we will then ship the firearm to your FFL Dealer, who will then be responsible to have you fill out the appropriate forms and conduct a background check, according to Federal and your State Laws and Regulations. Please allow up to 2 weeks for CFDA to prepare your firearm for shipping.

The buyer is responsible to pay all transfer fees, background checks directly to their FFL Dealer of choice.

All Firearm Sales Are Final. In the unlikely event that your FFL Dealer cannot process your transfer paperwork due to a background check that did not pass. The buyer may contact our office and request a return of the firearm and a refund of the sale. The gun must be returned to CFDA only by the FFL Dealer that it was originally sent to, in the original condition. A refund of the sale will be made, minus the original \$35 shipping fee and a 5% re-login/re-stocking fee. Available in the CFDA General Store or Call CFDA Main Office at 775-575-1802

JOIN THE FAST GROWING SPORT OF COWBOY FAST DRAW! DEDICATED TO THE ROMANCE & LEGEND OF THE OLD WEST A FRIENDLY SPORT THAT PROMOTES FIREARM SAFETY, INTEGRITY, SPORTSMANSHIP, AND THE COWBOY WAY.

OUR MOTTO IS: SAFETY FIRST, FUN SECOND, AND COMPETITION THIRD

THE GUNS

Single-action revolvers, factory chambered for .45 Colt caliber, with non-adjustable rear sights such as: SAA Colt, Colt Bisley, 1858 Remington conversions, 1875 Remington, S&W Schofield and faithful reproductions thereof, plus most Ruger Vaquero models. The external parts of the revolver must match factory stock contours and made of original type material: i.e. hammers must not be bent in any way. No trigger shoes, no mods to the trigger guard or grip frame, etc. Front sights are optional and barrels must be a minimum length of 4-1/2", except in the Shootist Category (7-1/2"). Hammer knurling may be smoothed.

THE HOLSTERS & GUN BELTS

1800's-style Mexican Loop, Slim Jim, and California Pattern holsters or leather rawhide construction. The over the belt-style holster will be worn on the side of the leg only. No cross-draw, shoulder, buscadero, contemporary Hollywood or steel lined holsters are allowed.

AMMUNITION

95% of ammunition used in Cowboy Fast Draw is .45 colt casings that are specially modified to accept 209 shotgun primers and no gun powder. Velocities reach about 650 fps. Only in major competitions Cowboy Fast Draw Cartridges are used, they must be loaded by CFDA approved reloaders.

TARGETS (THREE STANDARD TARGETS)

17-3/16" Round Plate - 47" Center Height (Start Light in Center)
24" Round Plate - 50" Center Height (Start Light in Center)
Balloon-Disc - Rarely Used in Championship Finals - See Specs

White lithium grease is applied to target plates, to track all wax bullet hits.

COMPETITION TIMERS

Digital timers must time to the thousandth of a second. Sanctioned contests must use target with impact sensors.

SHOOTING STYLE

Most folks use a thumb-cocking method, but fanning is allowed. Trigger finger must be out of the trigger guard. If used to cock the hammer the off-hand must not be placed in front of the body before the start light comes on.

CONTESTS

Contests are shot elimination style, best 2 out of 3, or 3 out of 5 shots per round. The standard contest is luck of the draw man vs. man elimination.

Target Distances (Set to Balance Speed and Accuracy)

Championship Distances

17-3/16" Target @ 15' (OR) 24" Target @ 21'

Exhibition Distance

17-3/16" Target @ 11' (OR) 24" Target @ 15'

There are Men's, Ladies and Youth Divisions in Championship Matches

CLOTHING

1800's period clothing is strongly recommended. Western cowboy, including working cowboy clothing is acceptable. Western boots or moccasins are acceptable footwear. Western-style blue and black jeans are acceptable. Victorian Steampunk is also allowed.

SAFETY

One of our primary goals is to educate as many people as possible in the safe and proper use of firearms. Even though we use wax bullet ammunition, we treat them as they were live ammunition and observe all established range safety rules.

SOME OF OUR GOALS

To keep our clothing & equipment such as guns and holsters true to form of the time period that we represent (1873-1899). 1873 is the year that the Colt Peacemaker was introduced.

To promote a positive public image of our sport and gun sports in general, since Cowboy Fast Draw is commonly held in public venues. To promote spirit of the American Old West and the Cowboy Way.
