**FGA Policy Note:** To earn a Top 10 Category Buckle Competitors Must Win at least 1 Round in their Category. According to CFDA Rules (Page 16. #25), since a Category Match is not a Main Match placement shoot-offs are not required. FGA does normally award Top 3 Gold Pans and also award Top 10 Buckles. We also use the Nevada 8 Format. Therefore, we conduct (3 Winning Hits) Shoot-offs only for the Top 3. Conducting Top 10 Buckle Shootoffs for so many categories would be impractical, therefore shooters going out in the same round, results in a tie.
