ARTICLE 6 – NON-DEDICATED ASSETS STATEMENT & DISCLOSURE

Under the previous Cowboy Fast Draw Association, LLC as the sport was being developed, it became necessary to develop certain specialized products of which new members, current members and clubs could depend upon a reliable source. The Grantors, Cal & Dinah Eilrich hereby disclose that they and their family wish to continue to supply these and other specialized products under a new corporation called, "Quick Cal's Gunslinger Emporium", herein, to be known as Gunslinger's Emporium, which has been incorporated concurrently with the Cowboy Fast Draw Association, non-profit organization. So, that assets may be appropriately divided during the "formation period".

During the "formation period" as described in Article - 7, separate bank accounts and websites will be established; and new accounting standards applied needed to separate all assets and liabilities. In consideration of the Initial Grant that made the formation of the Cowboy Fast Draw Association, Non-Profit Organization possible, as long as the Gunslinger Emporium remains in business the Cowboy Fast Draw Association, Non-Profit Organization shall provide a link, free of charge, on their official website. It is of great benefit to the sport of Cowboy Fast Draw that new members and clubs have access to a "clearing house" of the specialized products that are needed. In turn, Gunslinger Emporium will provide a link, free of charge, to Cowboy Fast Draw Association, Non-Profit Organization.

Because this valuable and irreplaceable service is integral to the primary purpose of the Corporation/Organization according to Article - 2, it is hereby decreed that this relationship has been disclosed and contained in the Articles of Incorporation and is henceforth determined to be exempt from Article 12 - Standard of Care and is not deemed a conflict of interest or self-dealing, regardless of any office held by Cal or Dinah Eilrich in the Corporation/Organization.

There shall be no CFDA Logo products sold at the Gunslinger's Emporium, such as hats, shirts, patches, decals, etc. unless approved by the Board. Any CFDA Logo products approved by the Board and sold by Gunslinger's Emporium will result in a 10% royalty based on retail price paid to be paid quarterly to Cowboy Fast Draw Association, Non-Profit Organization.

ARTICLE 7 – MISSION STATEMENT & GOALS

Mission Statement

The General Sport of Fast Draw was born in 1955. History has shown that the sport struggled to find common ground between factors that were divided on speed vs accuracy, in terms of the targets and distances they had conflicted opinions about. There was also deep division between types of six-guns and holsters that were used, some wanted no limits on modifications, others wanted equipment that was historically more accurate.

In 2002, Cowboy Fast Draw Association, LLC was founded upon the principles of the proper combination of target size and distance to balance speed vs accuracy; and to also regulate six-guns & holsters to bring them into compliance with historical standards of the time period of the post-Civil War 1800's.

The founding documents also called for a sense of honor and mutual respect among members and competitors, that shall be also passed on to this new non-profit organization. The basis of which will always be found in the CFDA Gunslinger's Rules, Guidelines & Handbook, as defined in paragraph #2 in the Founder's Letter:

"The Cowboy Fast Draw Association is about "safety first, fun second, and competition third." It's about handshakes, camaraderie, a man's word, morality, friendship, fair play and honest competition. Our credo is "the Cowboy Way" in action and deed; it requires no explanation.

Goals

- 1) To build a non-profit organization managed in a professional and business-like manner.

- 2) To educate as many people as possible in the safe and proper use of all firearms.
- 3) To never lose sight that members are choosing to spend their time with us to have fun and enjoy a meaningful competition.
- 4) To keep our rules simple and to the point, and to pursue the proper balance between the Spirit of the Game and fair play.
- 5) To keep our six-guns and holsters true to form of the time period that we represent post-Civil War to 1899.
- 6) To keep our clothing and appearance of western-themed late 1800s.
- 7) To preserve the competitive integrity of our game through the proper balance and speed vs accuracy, by maintaining commitment to target sizes and distances.
- 8) To become an organization paying its own way, and managed with the best interest of the sport in mind.
- 9) To build our membership to 10,000 and beyond.
- 10) To raise funds for worthwhile charities.
- 11) To build a network of affiliated clubs nationally and internationally providing a solid foundation for years to come.
- 12) To provide an inclusive family-friendly atmosphere where members of all ages and capabilities have competitive opportunities.
- 13) To promote a positive image of our sport and the Cowboy Way, and the spirit of the American Old West.

After the disclosure of the financial interest and all material facts, and after any discussion with the interested person, the interested person shall leave the Board meeting while the potential conflict of interest is discussed and voted upon. The remaining Board members shall decide if a conflict of interest exists. Addressing a Conflict of Interest In the event that the Board should establish that a proposed transaction or arrangement establishes a conflict of interest, the Board shall then proceed with the following actions:

- a) Any interested person may render a request or report at the Board meeting, but upon completion of said request or report the individual shall be excused while the Board discusses the information and/or material presented and then votes on the transaction or arrangement proposed involving the possible conflict of interest.
- b) The Chairman of the Board shall, if deemed necessary and appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- c) After exercising due diligence, the Board shall determine whether the Corporation/Organization can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- d) If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the Board shall determine by a majority vote of the disinterested Directors whether the transaction or arrangement is in the best interest of the Corporation/Organization, for its own benefit, and whether it is fair and reasonable. It shall make its decision as to whether to enter into the transaction arrangement in conformity with this determination.

Violations of Conflict of Interest Policy

Should the Board have reasonable cause to believe an interested person has failed to disclose actual or possible conflicts of interest, the Board shall then inform the interested person of the basis for such belief and afford the interested person an opportunity to explain the alleged failure to disclose. If, after hearing the interested person's explanation, and after making further investigation as may be warranted in consideration of the circumstances, the Board determines the interested person intentionally failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

Procedures and Records

All minutes of the Board Meetings, when applicable, shall contain the following information:

- a) The names of all the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Board's decision as to whether a conflict of interest in fact existed.
- b) The names of the persons who were present for discussions and any votes relating to the transaction or arrangement, the content of the discussions, including any alternatives to the proposed transaction or arrangement, and a record of any vote taken in connection with the proceedings.

Acknowledgement of Conflict of Interest Policy

Each Director, principal officer, and member of a committee with Board delegated powers shall be required to sign a statement which affirms that such person:

- a) Has received a copy of the conflict of interest policy;
- b) Has read and understands the policy;
- c) Has agreed to comply with the policy; and
- d) Understands that the Corporation/Organization is charitable, and in order to maintain its federal tax exemption, it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

Violation of Loyalty - Self-Dealing Contracts

A self-dealing contract is any contract or transaction

- (i) between this Corporation/Organization and one or more of its Directors, or between this Corporation/Organization and any corporation, firm, or association in which one or more of the Directors has a material financial interest ("Interested Director"), or
- (ii) (ii) between this Corporation/Organization and a corporation, firm, or association of which one or more of its Directors are Directors of this Corporation/Organization. Said self-dealing shall not be void or voidable because such Director(s) of corporation, firm, or association are parties or because said Director(s) are present at the meeting of the Board of Directors or committee which authorizes, approves or ratifies the self-dealing contract, if:

a) All material facts are fully disclosed to or otherwise known by the members of the Board and the self-dealing contract is approved by the Interested Director in good faith (without including the vote of any membership owned by said Interested Director(s));

b) All material facts are fully disclosed to or otherwise known by the Board of Directors or committee, and the Board of Directors or committee authorizes, approves, or ratifies the self-dealing contract in good faith—without counting the vote of the Interested Director(s)—and the contract is just and reasonable as to the Corporation/Organization at the time it is authorized, approved, or ratified; or

c) As to contracts not approved as provided in above sections (a) and/or (b), the person asserting the validity of the self-dealing contract sustains the burden of proving that the contract was just and reasonable as to the Corporation/Organization at the time it was authorized, approved, or ratified. Interested Director(s) may be counted in determining the presence of a quorum at a meeting of the Board of Directors or a committee thereof, which authorizes, approves, or ratifies a contract or transaction as provided for and contained in this section.

d) Directors or Officers of the Cowboy Fast Draw Association, Non-Profit Organization. May hold office in or own any CFDA Affiliated Club without conflict. However, they may not hold office, ownership, or serve on the board of any other Fast Draw organization.

Indemnification

To the fullest extent permitted by law, the Corporation/Organization shall indemnify its "agents," as described by law, including its Directors, officers, employees and volunteers, and including persons formerly occupying any such position, and their heirs, executors and administrators, against all expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred by them in connection with any "proceeding," and including any action by or in the right of the Corporation/Organization, by reason of the fact that the person is or was a person as described in the Non-Profit Corporation Act.

Such right of indemnification shall not be deemed exclusive of any other right to which such persons may be entitled apart from this Article. To the fullest extent permitted by law, and, except as otherwise determined by the Board in a specific instance, expenses incurred by a person seeking indemnification in defending any "proceeding" shall be advanced by the Corporation/Organization of an undertaking by or on behalf of that person to repay such amount unless it is ultimately determined

that the person is entitled to be indemnified by the Corporation/Organization for those expenses. The Corporation/Organization shall have the power to purchase and maintain insurance on behalf of any agent of the Corporation/Organization, to the fullest extent permitted by law, against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, or to give other indemnification to the extent permitted by law.

ARTICLE 13 - EXECUTION OF CORPORATE INSTRUMENTS

Execution of Corporate Instruments

The Board of Directors may, at its discretion, determine the method and designate the signatory officer or officers, or other person or persons, to execute any corporate instrument or document, or to sign the corporate name without limitation, except when otherwise provided by law, and such execution or signature shall be binding upon the Corporation/Organization. Unless otherwise specifically determined by the Board of Directors or otherwise required by law, formal contracts of the Corporation/Organization, promissory notes, deeds of trust, mortgages, other evidences of indebtedness of the Corporation/Organization, other corporate/organization instruments or documents, memberships in other corporations/organizations, and certificates of shares of stock owned by the Corporation/Organization shall be executed, signed, and/or endorsed by the Chairman of the Board, or President/Executive Director.

All checks and drafts drawn on banks or other depositories on funds to the credit of the Corporation/Organization, or in special accounts of the Corporation/Organization, shall be signed by the President/Executive Director or Secretary, or any other such person or persons as the Board of Directors shall authorize to do so.

Loans and Contracts

No loans or advances shall be contracted on behalf of the Corporation/Organization and no note or other evidence of indebtedness shall be issued in its name unless and except as the specific transaction is authorized by the Board of Directors. Without the express and specific authorization of the Board, no officer or other agent of the Corporation/Organization may enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation/Organization.

Every Director shall have the absolute right at any reasonable time to inspect all books, records, and documents of every kind and the physical properties of the Corporation/Organization and each of its subsidiary corporations/organizations. The inspection may be made in person or by an agent or attorney, and shall include the right to copy and make extracts of documents.

Preparation of Annual Financial Statements

The Corporation/Organization shall prepare Annual Financial Statements using generally accepted accounting principles. Such statements shall be prepared by an independent accounting firm, in conformity with generally accepted accounting standards. The Corporation/Organization shall make such financial statements available to Board of Directors, general membership, and public authorities upon

request for inspection no later than 90 days after the close of the fiscal year to which the statements relate.

Reports

The Board shall ensure an annual report is sent to all directors within 90 days after the end of the fiscal year of the Corporation/Organization, which shall contain the following information:

Such action is authorized only at a duly called and held meeting of the Board of Directors for which written notice of such meeting, setting forth the proposed bylaw revisions with explanations therefore, is given in accordance with these Bylaws. If any provision of these Bylaws requires the vote of a larger portion of the Board than is otherwise required by law, that provision may not be altered, amended or repealed by that greater vote.

ARTICLE 17 - CORPORATE/ORGANIZATION SEAL

The Board of Directors may adopt, use, and alter a corporate/organization seal. The seal shall be kept at the principal office of the Corporation/Organization. Failure to affix the seal to any corporate/organization instrument, however, shall not affect the validity of that instrument.

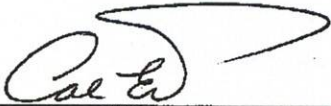

ARTICLE 18 - CONSTRUCTION AND DEFINITIONS

Unless the context otherwise requires, the general provisions, rules of construction, and definitions contained in the Non-Profit Corporation Act as amended from time to time shall govern the construction of these Bylaws. Without limiting the generality of the foregoing, the masculine gender includes the feminine and neuter, the singular number includes the plural and the plural number includes the singular, and the term "person" includes a Corporation/Organization as well as a natural person.
