AND IT'S HERE!!! By the time this issue makes it's way around the country, the Fastest Gun Alive will be just a few short weeks away! Man oh man did a year fly by! CFDA headquarters is busy with preparations. I have to give big shout-out and kuddos to my mother. Alotta Lead has been working on details every day for months now. If there is something about my mother that you may have all picked up on by now, it's that she is a dedicated hostess. Whether it be our monthly family dinners, or you know, hosting several hundred people at a World Championship event, she takes everyone's enjoyment to heart. She lives and breathes this event with an energy that wares me out, ha!

Putting on an event this size can definitely be daunting, but it is well worth the sleepless nights and we are always sad when it's over. Through out the year we are always saying to each other, it's only such and such months until FGA. And now we are down to weeks! I always enjoy this event as it's the main one I get to attend and have the chance to see everyone. So be sure to stop by the Gunslinger's Emporium to say hello to Alotta Lead, Jackie Daniels, and myself!

Thank you to all who contributed to this issue! The first two issues of the year are always

a little difficult to get articles for, since there are only a few contests before the Deadlines. I really appreciate everyone who deals with my nagging emails, you know who you are, ha!

The good news is I have already received two articles for the NEXT issue, so be sure to get your article submitted ASAP to ensure you get into the Fall Issue. I do publish them on a 1st come, 1st print basis.

An wow, there have been some GREAT photos submitted and posted on our Cowboy Fast Draw Society Facebook Page! As a reminder, when posting event photos, PLEASE create an album with the year and contest title (i.e. 2025 Fastest Gun Alive). This REALLY helps as it allows people to easily find photos of events, even from years past. When photos are just added to a post, rather than an album, they can quickly get lost in the post feed as we do get a lot of activity on our page. It really is easy to create and album AND multiple people can contribute to the album, keeping everything in one place.

TOP GUN POINTS

Just a reminder to please be checking your Top Gun Points on the CFDA website. IF you notice a potential mistake, please contact us at info@cowboyfastdraw.com.

INSIDE THE CFDA

By: Quick Cal, Executive Director

Howdy Folks!

Summer is here and what a run of CFDA Titled Championships we've had! This year we began with our Florida State & Eastern Territorial Championships in early February. Our season resumed in mid-March with our Texas & Oklahoma State Championships, held one week apart. Then, beginning in late April the Western U.S. went on a run of California, Oregon, and Nevada State Championships, plus our Great Northwest Territorial Championship all held within a 5-week period! With our Louisiana State & Southern Territorial taking place on the same weekend as the Great Northwest Territorial, both being followed a week later with the Colorado State & 4 Corners Territorial, while a week later our Virginia State Championship happened in our Eastern Territory!

The point is, we held 11 of our 18 CFDA Titled Championships all within 13 weeks, with 11 of them happening within 7 weeks of each other! The run in the Northwestern U.S. with 4 Championships all held within 5 weeks of each other were especially challenging for many of our members since they were all in the same basic geographical region of Northern California, Nevada, Oregon and Idaho that count on the same general area of CFDA members for support.

I receive many comments from our members on a regular basis. Some want things one way and some want the same things completely opposite. That's because we have all types of wonderful members who walk different paths of life. When it comes to the spacing of our championship tournaments, some members like it when they can travel from one match to another with less than a week between, these are most likely retired members who can spend time away from home. While others work for a living and/or are raising children and cannot afford the time and/or expense of traveling to consecutive events.

When CFDA Host Clubs are planning a Titled Championship they must consider who their shooter base is and what kind of other events on CFDA's schedule are planned around it. There are also other critical considerations like facilities, weather, other local events that could cause conflict, holidays, etc. The

three main goals of a successful CFDA Titled Championship are.

1. To run a quality event, so folks will want to come back next year.
2. Draw as many shooters as possible.
3. Balance the Budget – Giving both value to the shooters, while making it a worthwhile and fun experience for the members of the Host Club.

So, how can a Host Club draw the most shooters to their event? They have to consider what type of members make up the majority of the Shooter Base that is in their region. You have to understand that you cannot please everyone, since there are so many lifestyles to consider, you must think of the majority of members. Please don't think that everyone is retired or will plan to attend only your event.

You should try to run your event over the fewest days and tightest schedule possible. Then, especially on Sunday, it's a great idea to schedule your event to wrap up no later than early to mid-afternoon, so not only working folks can get headed back to their busy lives, plus your local members are more likely to help with tear-down and clean-up.

There are basically 4 types of members in our sport.

Type A: (Totally Committed) Some are retired comfortably enough to afford the time and money to travel. There are also those who've become successful enough by either running their own business or have achieved a management position and can plan their time and work schedules around attending our events.

Type B: (Really Committed) These members try to make all our events they can by planning their vacation time and family events around our CFDA schedule whenever they can. They try to make it to enough CFDA Titled Championships to earn points with the goal of making into the Top 10 of CFDA's Top Gun of the Year Awards. They will also likely plan to compete in National & World Championships almost every year.

Type C: (Committed) These folks really love CFDA, but have jobs, economic conditions, or personal commitments that do not allow too much travel. But, they do support clubs, local competitions and do plan their schedules to attend their State and/or Territorial Championships, with the goal of also competing in a National or World Championship whenever they can.

Type D: (Dedicated Local Members) They love CFDA and there is usually a CFDA

Affiliated Club within an hour or two of their home, and they become loyal and supportive members of that club. They attend almost all club functions and may also support other clubs within a few hours of their home club. They often hold an office in their club and when a CFDA Titled Championship is near, they may or may not compete in it. They enjoy it when they do well in a contest, but love our sport, the people, and always have fun no matter how they place.

Type E: (Come and Go Members) They like our sport but are mainly local members. They are supportive at times, but not really that committed to our sport and the principles it's built upon. In most cases they have not competed in a CFDA Titled Championship. They may join a club or CFDA, but if they are not shooting, they will let their memberships expire. They usually don't hang around and help with setup or clean-up. They often became interested in the sport and thought they could really become good at it. But then discovered Cowboy Fast Draw actually requires dedicated practice to achieve success and soon lose interest.

What Type of member are you? Only you can answer that question. Many times people plan and hope to become a more committed member, but life is life for all of us. The important thing is that we should respect and value all of our fellow members, no matter what path they are currently walking through life. There is a special bond that holds us fellow gunfighters together, that only those of us who play our game can understand.

FGA Update

In this Summer Edition of our Gunslinger's Gazette you will find a very important schedule and information on our signature event, the Fastest Gun Alive – World Championship of Cowboy Fast Draw! If you hadn't planned on coming, there is still time to make those plans. Even though it's in the middle of July the FGA is held in a beautiful temperature-controlled building, with non-stop activities from beginning to end. Fallon, NV is a great host city with plenty of reasonably priced motels, quality restaurants and several casinos. Hopefully, we'll see you there!

Hit'em Fast!

NEWS AND ANNOUNCEMENTS

By: Alotta Lead, CFDA Operations, Clubs & Events Director

It's almost here!! The "Fastest Gun Alive™" 2025 World Championship is shaping up to be one of the best in years. With all of us doing our designated jobs for the event, things are coming along with the ordering of this or that, gathering items for the evening events, getting the paperwork in order for vendors, boy oh boy, 15 vendors for 2025! The trophies are done, all 200 plus of them, buckles will be arriving soon, new items ordered for everyone to pick up at the Emporium....yep, it's coming along nicely!

We're going to have a good lineup of vendors, a good variety to please most. Make sure to visit vendor's row! Some come from quite a distance to be at our event because they love the shooters, the atmosphere of the event, and wanted to be back again with us for 2025! Pretty awesome!

The Life Member Reception – This Thursday evening event is going to be a big one! For those that haven't heard, the theme is dress as your "**Favorite WESTERN Movie or WESTERN TV Series character**". We'd like you to have a photo of the character you're portraying that evening so the judges have a base to go from.... if possible. Make sure you look as close as you can to the movie or TV person you're portraying! It's going to be fun. It's a western themed evening of course so everyone attending please make sure to dress western. There will also be great finger-food snacks to munch on, & the Long Branch Saloon will be open while enjoying the evening as well. We're coming up with more surprises for the evening, so it will be a

fantastic evening for sure!

Did I mention that Friday evening professional photographer Jamie, with Northern Nevada Imaging, will be there again this year! I think many of you are getting to know her and what a great job she does for everyone. She loves being there, loves the shooters and schedules FGA into her busy time, as she travels from Fernley to Fallon, to be there. We're so appreciative of what she does for that evening event so remember to get dressed up in your best "Sunday-go-to-meetin'" clothes, and you or your group can have a photo taken to remember the great time at FGA 2025! Later that evening is the "Gunfighters Ball" Dance the night away....at least until 10pm!

The Long Branch Saloon will be up and going serving wine, beer, and mixed drinks while supply lasts! Sodas and bottled water will also be available. As you know all donations go to CFDA's "Shoot for the Stars" Scholarship Foundation!

In this issue check out the four-page spread of FGA and you'll see what's happening and the days and times, along with a lot of shooting and fun!

Summer is here, which means more traveling to CFDA events and matches. Support your CFDA Titled Championships as they support CFDA because they believe in what CFDA stands for and the mission it's aiming for. We always try and do, (to the best of our ability) what we're supposed to do and that is make CFDA the premiere shooting sport in the country. We're going forward towards a better CFDA non-profit. Quick Cal traveled the country 2024 filming matches, when time allowed, attending most of them. The time to film, edit, script the shows, and the time and money it took to achieve this was unreal. It was all to promote the great sport of Cowboy Fast

Draw, to bring attention around the country by getting it out there on Facebook. If you haven't seen any of the shows as of yet, check them out on the Official Cowboy Fast Draw Association Facebook page, or CFDA Society Facebook page. They're fantastic interviews with many different shooters you'll recognize and have seen throughout the CFDA shooting season.

Regarding TOP GUN points, remember starting January 2026 the shooting season goes from January 1st, 2026, to the end of the year, to when Top Gun winners will be announced, and buckles will be presented with the alias of the winner on them. Very personalized! What a great thing!

To all the members we thank you for renewing your membership with CFDA. A lot of you have been upgrading to Life Member status and again, thank you! The dedication, commitment, volunteering at CFDA events means a lot to everyone and without you, the sport we all love wouldn't exist. It's the members that are the lifeline of the sport so please do your best to recruit new members. Too many people are missing out on a lot of fun!

Well, in closing, looking forward to seeing everyone at FGA in a few weeks. Boy oh boy, it's coming up fast so if you haven't entered by now – do so! It'll be more fun than you'll know what to do with! So, grab your club members, shooting buddies, and family members and head to Fallon Nevada for the best time ever! See you all there!

Till then-

THE SINGLE ACTION SAVANTS HOST THE 2025 FLORIDA STATE CHAMPIONSHIP OF COWBOY FAST DRAW

BY GYPSY GIRL

Elkton, FL- Yeehaw from the Sunshine State! The Single Action Savants, out of St. Augustine, Florida, chose the second weekend in February to host the first State and Territorial Championship matches of the 2025 Season at the St. Johns County Fairgrounds in Elkton, Florida.

Shooters from Coast to coast, and I mean as far away as California to Maine, joined other CFDA members for a wonderful weekend full of family fun. Under the direction of Sourmash Kid and Mendy, local club members set up the event site on Wednesday. Gray Wrangler and ladies set up a Thrift Store tent with the goal of raising funds for the Shoot for the Stars Scholarship Fund. The Scoring tent anchored the west side of the arena where Irish Tim set up for the weekend. Plenty of parking surrounds the open sided rodeo arena giving easy access to the many competitors. RV campsites hosted out-of-town travelers, including Alabama and Cherokee Sparrow from Alabama, as well as Butch Cassidy, Guido B, and Daniel from Nevada.

After driving through the foggy morning weather, Category matches began on Thursday. Shooters were welcomed at the registration table by Lady Bacon, Gray Wrangler, and Gypsy Girl with the help of family friend, Krys (a scorekeeper in training and The Smoke

Wagon Kid's sweetheart.) Each registrant was gifted with a shooter bag with swag and snacks. Easy Money and Slow from the Sunshine State Shootist club manned the gun check station.

As the CFDA family typically does, we began the day with a welcome, reciting the Pledge of Allegiance and singing of the National Anthem. Sourmash Kid offered a couple of announcements, and others took the mic to share club and weekend information. Slow then followed up with an entertaining safety meeting and then the first shots were fired to begin the Category Matches.

Friday Morning, those driving in managed to find the fairgrounds through a very dense fog, which rolled its way through the arena until noon! Talk about humidity! With a quick check-in at the gate, the Florida State Championship got underway!

Rounds down the range began at 9am, and the excitement was so thick, you could cut it with a knife (just like the fog!) Mid-morning, we endured a two-hour down time due to technical difficulties, but were up and running soon afterward. We made the best of it and had lunch and some time to catch up with old friends. Once we were back up and running, we resumed the Florida State Championship in a timely manner and crowned our 2025 Champions! **Congratulations to Tin Bender and QD Kate, our 2025 Florida State Champions!**

"GUNFIGHT IN THE OLDEST CITY" & EASTERN TERRITORIAL

LOCATED IN ELKTON, FLORIDA

Saturday, or "Even Foggier Day", began as the previous days with check-in, welcome, Pledge, National Anthem, and safety meeting. Then it was down to business as the 2025 Eastern Territorial got underway. The air was alive with excitement as shooters roamed the arena, sharing stories and catching up on what was happening. Believe it or not, we were able to shoot our way to the seeding for the Magnificent 7 Shootouts! Once that was complete, everyone headed to get ready for the Saturday night banquet.

The presentation of the Florida State awards was held at the banquet hall, which is adjacent to the arena. As event goers walked into the hall, there were two photo backdrops available for picture-taking opportunities with friends and family. The Smoke Wagon Kid not only set up video cameras on the ranges to live-stream the events, but he also live streamed the banquet so those who were unable to attend were still able to tune in for the excitement. It was open seating and catering was provided by Simply Southern Catering. After an hour of fellowship, it was time to get down to business! The grub line opened, and everyone was happy to line up for a nice buffet dinner of green beans, mashed potatoes with gravy, chicken, beef, ceasar salad and a variety of drinks. Good ole Southern Banana Pudding was the icing on the cake, figuratively speaking.

Blazing Bob (feel the heat) provided entertainment by playing guitar and playing requests as our designated DJ for the evening. Annie Oakley competitors (and sisters) Little Smokey and Krazy Mae worked the room selling raffle tickets for a battery-operated drill donated by Lowes. The proceeds went to Shoot for the Stars. Many door prizes were given away with the help of Mendy, Gray Wrangler, Lady Bacon and Diamond Lil. Thank you to all who donated prizes for this fun giveaway. Sourmash Kid presented the awards for the Florida State to complete the night.

Sunday dawned as the final day of the event was upon us. After bracket matches were complete, it was down to business to crown the 2025 Eastern Territorial Champions. In the Youth Division, Ruby Roundhouse took home the top honors. K.K. Kid took home the Overall Ladies Champion title, and Florida's own Saltwater Cowboy became the Men's Overall Champion! **Congratulations to K.K. Kid and Saltwater Cowboy, the overall 2025 Eastern Territorial Champions!** Congratulations and thank you to all attended and we look forward to seeing you next year!

and the spirit of community. A silent auction raised over \$900 for the Shoot for the Stars Scholarship Fund, and thanks to the efforts of Lone Star Gunslingers, Hill Country Pistoleros, and numerous sponsors, the event was a resounding success. Thanks to Six Gun Grandpa, and Steel Shootin for the awards and Gun Guy for many donated knives for awards and auction.

The backdrop for the event, George Ranch, added a layer of historical significance.

As part of the original land grants given to Stephen F. Austin, the site serves as a living testament to Texas' frontier legacy, enriching the experience for competitors and spectators alike.

Final Shots and Farewells

As the event wrapped up, hugs, goodbyes, and shared memories underscored the deep bonds within the fast draw community. The efforts of groups like Lone Star Gunslingers and Hill Country Pistoleros ensured the championship's success, leaving participants eager for the next chapter of cowboy fast draw history.

Alotta Lead's Family Favorite Recipes

Are you camping this summer? Whether your Dutch Oven meal is cooked in the oven or over a campfire, nothing is as good as a tasty, delicious casserole. Here's a great one- easy, quick and so good!

"The Works" Campfire Casserole

Here's what you'll need:

2 ½ Cups corn ~ either fresh off the cobb, or frozen
1 Cup Peas~ either fresh or frozen
1 Cup mushrooms ~ sliced
1 Medium Onion ~ diced
1 Medium Bell Pepper ~ diced and seeded
2 ½ Cups of Colby-Jack Cheese ~ grated
2 lbs. Ground Beef-lean.....or you can use ground chicken or turkey or a little of each!
1 Package Egg Noodles ~ at least a 10-15 oz bag of Noodles Uncooked!
1 Can Stewed Tomatoes- 28 oz. size can
Salt & Pepper to taste
1/8 teaspoon of garlic powder or granulated garlic
1 ½ Teaspoon Sugar

What's Next:

Get your 5 qt. size Dutch oven heating up over a medium high heat on your stove top. Throw the ground meat in and cooking it thoroughly. Drain any grease off from the meat. Add the corn, mushrooms, onions, bell peppers, and peas, sugar, and salt,pepper, & garlic, stirring well to mix all ingredients. Even out the goodies in the bottom of your Dutch oven. Next take the uncooked noodles and spread them all over the top of the meat mixture. Next, sprinkle all the cheese all over the noodles, then evenly pour the large can of stewed diced tomatoes all over the top of everything! Holy Cow! What a yummy dish. Next you'll put the lid on the pot, turn the heat down to medium-low and cook for about an hour. When the noodle are soft and the pot is bubbling hot and the cheese is melted through, take the lid off, wait a few minutes for it to set a bit and then dig in.. Enjoy!

BOARD OF TERRITORIAL GOVERNORS REPORT

By: Quick Cal, Chairman

Territorial Governors

1. Great Northwest	Crosswired	5. Great Plains	Kansas Belle
2. Western	Huckleberry Honey	6. Southern	K.K. Kid
3. 4 Corners	Muletrain	7. Eastern	Ringo
4. High Plains	Roscoe	8. Great Lakes	Dead Eye Daisy

INTRODUCTION OF THE BOARD

This is the first CFDA Board of Territorial Governors Report that we are publishing. For those new to CFDA or to some of our long-standing members that may not be aware of a major change that has occurred with our Cowboy Fast Draw Association, please allow me provide a brief explanation. For the next 5 paragraphs I will refer to myself in the 3rd person to avoid any misunderstanding.

Since CFDA was founded by Brad Hemmah a.k.a. Kemosabi in 2002, CFDA has been operated as a Limited Liability South Dakota Corporation. First by Kemosabi, until 2006, when a partnership between Quick Cal & Shoot Magazine purchased the organization, soon followed by a buyout by Quick Cal & Alotta Lead in 2007 when Shoot Magazine announced it was going out of business. CFDA, LLC has been run as a family-owned business since 2007.

A few years ago after a family meeting to discuss what would happen to CFDA if something were to happen to Quick Cal or Alotta Lead, or both, it was decided to plan for the future of CFDA. Not only does our entire family love CFDA, but so do our members who have dedicated so much of their lives to help build our sport in so many ways. The fact is, it's the wish of so many that CFDA go on forever!

In early 2024 Quick Cal began the process of forming Cowboy Fast Draw Association, Non-Profit Organization, a Nevada Corporation under the laws of the State of Nevada. On June 6th, 2024 the Domestic Non-Profit Corporation (NRS 82) Charter was issued. Leaving much more work to complete like setting up a new bank account, web-page, registering with State of Nevada employment and tax divisions, and setting up new accounting and payroll services. Also, since CFDA had developed, created and branded crucial products needed to support the sport of Cowboy Fast Draw, these products needed to be separated from the non-profit organization. The Gunslinger Emporium was created for this purpose, so as not to disrupt the primary source of equipment that is so vital to our membership and clubs.

On January 1st, 2025, Quick Cal & Alotta Lead irrevocably granted all membership operations, assets, and intellectual property from CFDA, LLC to CFDA, Non-Profit Corporation. It was also Quick Cal's responsibility to appoint the 1st Board of Territorial Governors, which was carried out by the end of the year. Even numbered Territorial Governors were appointed for only 1-Year and odd numbered Territorial Governors were appointed for a full 2-Year Term. Beginning, in late 2025, the process will begin to bring about a Board that is totally elected by the general membership of CFDA. The Chairman's Term is 4-Years, for which Quick Cal will decide in late 2028 if he will run for election.

It's Quick Cal & Alotta Lead's intention and wish that CFDA will go on in perpetuity for generations to enjoy in the Spirit of the Cowboy Way and keeping the Romance & Legend of the Old West alive in the hearts of so many.

Alotta Lead and I would like to Thank those who are named at the top of this page, who volunteered to serve as our 1st Board of Territorial Governors and who are contributing a great service for the future of OUR Sport of Cowboy Fast Draw.

BOARD OF TERRITORIAL GOVERNORS REPORTS

Initial Setup Board of Territorial Governors Meeting - November 16th, 2024

Quick Cal called for a Initial Meeting to develop some basic procedures for conducting Zoom Meetings and to take action of some a.s.a.p. items.

Item 1: (Action Taken) The Board elected Dead Eye Daisy as the Board's 1st Vice Chairman.

Item 2: (Action Taken) Top Gun Points will Return to a Annual Calendar Format.

For the 2025 awards only. The points for CFDA Titled Championships held after the 2024 FGA will be counted towards the 2025 Top Gun Points Season. Some of these championships may be counted twice. Because of the added contests, the best 8 point totals will be counted, instead of the normal best 6. The number of required State Championship tallied in the total will be raised from 2 to 3 for the 2025 Season only, since the count has been raised from 6 to 8.

For 2026 and Beyond. Top Gun Points will return to the previous Calendar Year Award System for the matches held only within that calendar year, with the (best 6 Point Total Counting and requiring that 2 State Championship Points counts be included in the final total) same as before. Since the season will be ending with the final CFDA Titled Championship of the calendar year each year, within 14 days of the last CFDA Titled Championship, final points will be tallied and published on the CFDA Website and buckles will be ordered. As an added benefit, Top Gun Buckles will now contain the names of the winners. The Top Gun Buckles will be sent

by mail to the winners. The winners and photos will be featured CFDA's Social Media Assets and in the following publication of the Gunslinger Gazette. Since the 2024 Top Gun of the Year Award ended with the 2024 FGA. Points for the 2025 Season will begin with the 1st CFDA Titled Championship.

Item 3: (Discussion Only): Bad Ammo at Contests

The Board agreed to have it placed on the 2025 U.S. Marshal's Muster Agenda for discussion. The Board also recommended that Quick Cal write an article on this subject.

CFDA Territorial Governors Meeting (12-22-24)

Item 1: (Action Taken) Established monthly meetings on 3rd Tuesday of the month at 5 p.m. Pacific Time Zone

Item 2: (Discussion Only) Update on FGA and Quick Cal presented an Event Budget, Board recommended keeping a similar schedule to the 2024 event, but ending the seminars, due to lack of attendance.

Item 3: (Discussion Only) The Board discussed how the CFDA Insurance Policy works, Membership Retention, and Organizational Fund Raising.

Item 4: (Action Taken) Logo Item Sales

After discussing sales tax responsibilities and distribution the Board approved the following motion...

"Quick Cal's Gunslinger Emporium may sell, either by website or physical retail, CFDA Logo Items beginning January 1st, 2025. With a 10% Royalty on the specific items of Hats, Apparel, Patches, Badges, Decals Cups, License Plate Holders, Round Drawing Cards, Towels, of Flags.

As per CFDA, NPO By-Laws, Gunslinger Emporium shall donate 10% of all retails sales for these products on a quarterly basis to Cowboy Fast Draw, Non-Profit Organization."

CFDA Territorial Governors Meeting (01/21/25)

Item 1: (Action Taken) Alotta Lead, Director of Club Affairs reported on Annual Club Affiliation & Insurance Program. This is a very busy time in the CFDA Office each year. A number of clubs seem to ignore sending in the Affiliation Agreements until the last minute and with holiday mail a number of them end up late or are not sent until called. A motion was made, seconded and approved as follows:

"Reminder emails will be sent by the CFDA Office to Affiliated Clubs on or before October 15th each year. Affiliation Agreements not received by the CFDA Office by December 1st will be subject to a \$50 Late Penalty."

Item 2: (Discussion Only) Preliminary CFDA Annual Budget - Executive Director, Quick Cal presented the first CFDA, NPO Preliminary Annual Budget. An update on this preliminary budget will be presented at the end of the 1st Quarter.

Item 3: (Action Taken) CFDA First Aid Program & Policy

From an item and idea that was first initiated by **Wench** at a Marshal's Muster a few years ago. Arizona member **Big Foot** has volunteered to coordinate and develop an official CFDA First Aid Volunteer's Guidelines Program. Big Foot has been appointed Program Director. With the help of his wife **Dazzlin' Daisy and Otto Matic** they have developed the CFDA First Aid Volunteers & Match Director's & Range Master Guidelines, which will be formerly introduced at the 2025 FGA. Board Voted to Approve the CFDA First Aid Program.

CFDA Territorial Governors Meeting (02/18/25)

Item 1: (Action Taken) Approved \$200 for CFDA First Aid Program Identification Cards.

Item 2: (Discussion Only) Report by the Chairman on the Shot Show

The Shot Show is the largest event in the Firearms Industry held annually in Las Vegas. Had meetings with both Ruger and Pietta reps. Pietta has agreed to continue their sponsorship. Ruger has agreed to and signed the CFDA Sponsorship Agreement.

Item 3: (Action Taken) Now that CFDA awards Resident Champions with Official CFDA Buckles, plus back when CFDA used to award FGA Entries to Resident Champions, it has sometimes become an issue to determine the actual residency of some of our members. A motion was made, seconded and approved:

"A valid current state issued Driver's License shall be used to determine residency for the purposes of awarding Resident Championships."

CFDA Territorial Governors Meeting (03/18/25)

Item 1: (Discussion Only) Discussion regarding limiting exaggerated stances. It's been a common complaint for years by some members that feel there should be some limits to how far a shooter can lean back while in a Firing Line stance. Quick Cal explained the history of trying to regulate stances decades ago in the sport of Fast Draw. Since there are many types of bodies it proved impossible to regulate. The Board's discussion turned to asking Range Masters to be more persistent in checking holster angles and enforcing the rules that already exist.

Item 2: (Action Taken) Blocker Targets at CFDA Affiliated Clubs

A discussion regarding the fact that some affiliated clubs have Blocker Targets, including those clubs that are dual-sanctioned by CFDA & other Fast Draw organizations.

A motion was made, seconded, and approved.

“A CFDA Affiliated Club shall not use Blocker Targets for any CFDA Class C or D event. Clubs may use Blocker Targets for practice, but shall do so while following and enforcing CFDA Safety Rules. According to CFDA’s Club Affiliation Agreement, if a club is dual sanctioned with any other Fast Draw organization, they shall supply their own Insurance Policy since they do not qualify for CFDA’s Insurance Policy. CFDA Targets and Distances are aligned with CFDA Guidelines & Goals, which emphasize the importance of the proper balance of speed and accuracy.”

CFDA Territorial Governors Meeting (04/17/25)

Item 1: (Action Taken) Board Approved by emergency email vote to Approve the 2026 National Championship Agreement for St. Augustine, FL to be held in conjunction with the Florida State Championship (February 5th - 8th)

Item 2: (Action Taken) 1st Quarter Budget Report

Quick Cal presented a review of the 1st Quarter Budget. At this point we are within the Preliminary Budget’s Goals. Board Voted to Approve the 1st Quarter Budget Report.

Item 2: (Discussion Only) Golden Spike Awards have always included Gift Certificates from the CFDA General Store, which no longer exists. The Gunslinger Emporium has agreed to Sponsor the Gift Certificates this year.

Item 3: (Action Taken) Review and Approve the Marshal’s Muster Agenda Item for CFDA Cartridges vs 209 Shotgun Primer Loads. **Marshal’s Muster Agenda Item – Submitted By CFDA Board of Territorial Governors**

“The Board of Territorial Governors would like to initiate a discussion among CFDA’s U.S. Marshals regarding continuing the use of Cowboy Fast Draw Cartridges that are loaded using pistol primers and Triple 7 Black Powder Substitute as provided for in CFDA Guidelines, as opposed to phasing in using only 209 Shotgun Primers & CFDA Brass at all CFDA Titled Championships.”

CFDA Territorial Governors Meeting (05/20/25)

Item 1: (Discussion Only) Discussion about establishing a formal procedure for the enforcement of Rule 18. The Board recommended that Quick Cal submit an Agenda Item on this subject to the Marshal’s Muster.

Item 2: (Discussion Only) Alotta Lead proposed a new type of Membership Drive that not only rewards clubs for recruiting members, but also rewards Individuals who Recruit Members. More to come on this proposal.

John Taffin
1939-2025

Farewell to John August Taffin (1939 – 2025) a.k.a. Six Gunner - CFDA Life Member #24

John Taffin was an American author who wrote numerous columns for Guns, Gun Digest, Sixgunner, American Handgunner, and Shoot Magazine. He was a math teacher for 31 years, between 1964 to 1995, his math skills lead to his love of the study of firearm ballistics.

He lived in the Boise, ID area and was invited to his first Cowboy Fast Draw contest in 2004 by the Editor of Shoot Magazine, Andy Fink a.k.a. Chucky (CFDA Life #3). He attended and competed in some of the local CFDA events with his 7-1/2" Revolver, his favorite gun. Reports are that he never missed a shot. He was a pleasant man who always loved to talk guns. CFDA members should know that our Shootist Category was created in his honor.

A Six-Gun Salute to the Memory of our Friend Six Gunner!

MEMBERSHIP NEWS & ANNOUNCEMENTS

Well, It's the most wonderful time of the year here at CFDA Headquarters!!! Fastest Gun Alive is QUICKLY approaching!!! I know I have mentioned this in other articles. But, man oh man...it's like a huge family reunion!!! One that you actually look forward to attending, lol. With that being said, I always like to give people the option of placing an order for products they may need, and I can have it ready for you to pick up at FGA. You can place the order over the phone with me; I can take your payment information over the phone and have your order ready for pick up at FGA. I would not suggest placing your order for pick up on our website, as it will charge shipping. This is an especially great idea if you've been on the fence about purchasing one of our timer/target packages. This would definitely be the

time and so worth it, saving that shipping fee. Another thing that I especially love about FGA...our vendors. Some we have had for years and years, such as Lynn Gentry. OH MY GOSH!!! She makes some of the best and cutest items. I must confess, every year I ask her if I can shop her booth early. With us setting up and working the Gunslinger Emporium, I don't want to miss out. Sorry, NOT sorry!!! I would have to say that my favorite item of hers is her kitchen towels. She knits some of them, so they hang from your stove. And the patterns are always just so pretty, and some are very unique. Some come in different sets. And the quality of her work is absolutely wonderful. She has many other items, that are great or gifts that are handmade. I say that to say this...good luck getting to her before me, lol!!! And don't forget to grab some of her iconic homemade fudge. She's been making it for years to fund-raise for Shoot for the Stars. It is a must-have!!!

We have many other vendors with some great items. Some are new this year. Please take some time to check them out and support them. We appreciate them being a part of this event.

Membership Info:

I try to come up with a new idea or two when writing this article, to suggest ways to either bring in new members, and just assist in making the new membership process easier. One thing I think would be a great help in that process would be to go onto our website and print an alias list to keep handy at your club range and to keep handy when your club is doing events outside of your range. When it comes to choosing an alias, people get stumped

at times. New member applications can still be turned in if an alias isn't chosen. But we also don't want that aspect to be something that will cause someone signing up to say "I'll have to think about it, I'll sign up once I choose an alias." Although the alias list contains ones that are not available, it has also been known to spark ideas and help people create just the right one for them.

As always, if your club ever needs promotional items (brochures, Gazettes, decals etc.). Just shoot an email to me or give me a call. I'd be happy to get them on their way to you.

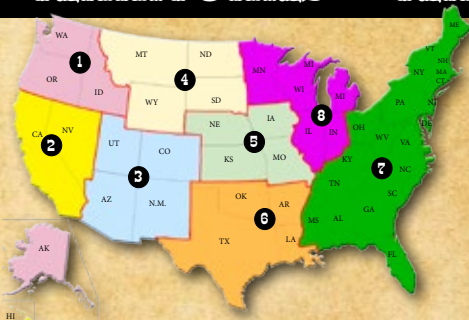

Final thoughts:

You know, I've been thinking about this since just after the last edition was published. I received a call from a member who wanted to renew his membership. He mentioned to me that he's at a stage in his life where he doesn't travel much anymore, but he keeps his membership current because he wants to support what we all stand for. He proceeded to tell me that he does shoot one match per season and wouldn't miss it for the world. That really touched my heart. We as an organization really stand for something. We all have our day-to-day lives and everything that comes with it. But at the end of the day, we belong to an organization that unites us all as one. Whether you shoot multiple matches per season, one match or you keep your membership active just to show support, we appreciate you all.

As always, if there's anything I can help you with. Feel free to contact me.

COMPETITION READY!

Payment, Shipping & Transfer Information

(We Only Ship To FFL Dealers)

We hold a Federal Firearms License (FFL). We only ship (usually USPS) and transfer firearms to other FFL Dealers, which costs \$35 per gun. It is up to the purchaser to choose their FFL Dealer and supply contact information when they order their firearm. CFDA will contact the FFL Dealer to obtain necessary documents. After receiving payment we will then ship the firearm to your FFL Dealer, who will then be responsible to have you fill out the appropriate forms and conduct a background check, according to Federal and your State Laws and Regulations. Please allow up to 2 weeks for CFDA to prepare your firearm for shipping.

The buyer is responsible to pay all transfer fees, background checks directly to their FFL Dealer of choice.

All Firearm Sales Are Final. In the unlikely event that your FFL Dealer cannot process your transfer paperwork due to a background check that did not pass. The buyer may contact our office and request a return of the firearm and a refund of the sale. The gun must be returned only by the FFL Dealer that it was originally sent to, in the original condition. A refund of the sale will be made, minus the original \$35 shipping fee and a 5% re-login/re-stocking fee.

JOIN THE FAST GROWING SPORT OF COWBOY FAST DRAW! DEDICATED TO THE ROMANCE & LEGEND OF THE OLD WEST A FRIENDLY SPORT THAT PROMOTES FIREARM SAFETY, INTEGRITY, SPORTSMANSHIP, AND THE COWBOY WAY.

OUR MOTTO IS: SAFETY FIRST, FUN SECOND, AND COMPETITION THIRD

THE GUNS

Single-action revolvers, factory chambered for .45 Colt caliber, with non-adjustable rear sights such as: SAA Colt, Colt Bisley, 1858 Remington conversions, 1875 Remington, S&W Schofield and faithful reproductions thereof, plus most Ruger Vaquero models. The external parts of the revolver must match factory stock contours and made of original type material: i.e. hammers must not be bent in any way. No trigger shoes, no mods to the trigger guard or grip frame, etc. Front sights are optional and barrels must be a minimum length of 4-1/2", except in the Shootist Category (7-1/2"). Hammer knurling may be smoothed.

THE HOLSTERS & GUN BELTS

1800's-style Mexican Loop, Slim Jim, and California Pattern holsters or leather rawhide construction. The over the belt-style holster will be worn on the side of the leg only. No cross-draw, shoulder, buscadero, contemporary Hollywood or steel lined holsters are allowed.

AMMUNITION

95% of ammunition used in Cowboy Fast Draw is .45 colt casings that are specially modified to accept 209 shotgun primers and no gun powder. Velocities reach about 650 fps. Only in major competitions Cowboy Fast Draw Cartridges are used, they must be loaded by CFDA approved reloaders.

TARGETS (THREE STANDARD TARGETS)

17-3/16" Round Plate - 47" Center Height (Start Light in Center)
24" Round Plate - 50" Center Height (Start Light in Center)
Balloon-Disc - Rarely Used in Championship Finals - See Specs

White lithium grease is applied to target plates, to track all wax bullet hits.

COMPETITION TIMERS

Digital timers must time to the thousandth of a second. Sanctioned contests must use target with impact sensors.

SHOOTING STYLE

Most folks use a thumb-cocking method, but fanning is allowed. Trigger finger must be out of the trigger guard. If used to cock the hammer the off-hand must not be placed in front of the body before the start light comes on.

CONTESTS

Contests are shot elimination style, best 2 out of 3, or 3 out of 5 shots per round. The standard contest is luck of the draw man vs. man elimination.

Target Distances (Set to Balance Speed and Accuracy)

Championship Distances

17-3/16" Target @ 15' (OR) 24" Target @ 21'

Exhibition Distance

17-3/16" Target @ 11' (OR) 24" Target @ 15'

*There are Men's, Ladies and Youth Divisions

CLOTHING

1800's period clothing is strongly recommended. Western Cowboy, Rodeo or Working Cowboy, Victorian Steam-punk clothing is acceptable. Western boots or moccasins are acceptable footwear. Western-style blue and black jeans are acceptable. Cowboy Hats for Men. No short-sleeve or t-shirts, tennis shoes, or baseball style hats are allowed.

SAFETY

One of our primary goals is to educate as many people as possible in the safe and proper use of firearms. Even though we use wax bullet ammunition, we treat them as they were live

ammunition and observe all established range safety rules.

SOME OF OUR GOALS

To keep our clothing & equipment such as guns and holsters true to form of the time period that we represent (1873-1899). 1873 is the year that the Colt Peacemaker was introduced.

To promote a positive public image of our sport and gun sports in general, since Cowboy Fast Draw is commonly held in public venues. To promote spirit of the American Old West and the Cowboy Way.
